6. Pick-up of recyclables:

Note: Cardboard and aluminum must be clean and well separated to be eligible for the reduced rates quoted below.

Containerized or Commercial Recycling Service Rates:

Container Rental: one-half (1/2) of normal monthly rate.

Container Pick-up Rate: one-half (1/2) of normal monthly container rate.

Total cost for each pick-up of a 4 cu yd dumpster of recyclables is \$24.70.

Each additional pick-up per dumpster of recyclables will be charged at one-half (1/2) normal rate, per pick-up.

Recyclables delivered to baler if clean and well separated will be received at no charge to non-commercial customers.

Commercial customers who choose to deliver recyclables to the baler facility will be charged 25% of normal refuse disposal fees.

7. Tipping fees at baler:

- Residential & commercial refuse: \$ 5.44 per cubic yard
- Construction & building materials: \$ 7.33 per cubic yard
- Asbestos materials\* \$104.65 per cubic yard
- \*must give two weeks advance notice and approval prior to dumping
- Scrap metal \$15.54 per cubic yard
- Major household appliances \$ 7.74 each piece
- Refrigerators, Freezers\* \$46.05 each
- Boat/hull disposal costs equal to estimated labor & equipment costs as required to prepare for placement in the landfill, plus estimated cubic yardage at Construction & Destruction rate

Paints are accepted at the baler – must be separated and have approval

\*Note: we are now required to remove all freon from the units prior to removal of the compressors. This will have to be contracted out as freon must be “captured” and disposed of at an approved facility. Local interest has been expressed to handle the freon removal/containment, and services will be requested locally through an RFP.
