- A. Identity of Contractor: Cordova Construction LLC
- B. Contract Price: *\$34,650*
- C. Nature & quantity of the work that the City shall receive under the contract:

II. RECOMMENDED ACTION / NEXT STEP: Council suggested motion “to direct the City Manager to negotiate a contract with Cordova Construction LLC to install bathroom stalls, FRP, touchless faucets, sinks at the little league restrooms (Snack Shack) for a sum not to exceed thirty-four thousand and six hundred and fifty dollars (\$34,650)”.

III. FISCAL IMPACTS: The work will be paid for with COVID Cares funding.

IV. BACKGROUND INFORMATION: This project has been solicited under the 5.12.160 - Emergency procurements.

The city may procure supplies, services or construction without competition, formal advertising, or other formal procedure where the city manager determines in writing that an emergency threatening the public health, safety or welfare requires that the contract be awarded without delay. The award of any contract

under this section shall be subject to prior council approval in accordance with Section 5.12.040.

This memo is written in accordance with section 5.12.040.

The upgrades to the Snack Shack qualify for COVID Cares funding for several reasons. The existing surfaces within the building are raw wood and are difficult to clean. The upgrades will provide easy-cleaning surfaces and provide touchless sinks, soap, and toilet fixtures, which will be significantly more sanitary than what was existing prior.

V. LEGAL ISSUES: Contract shall be negotiated and awarded per Code sections 5.12.040 and 5.12.160.

VI. SUMMARY AND ALTERNATIVES: Council could choose not to approve the contract.

5.12.040 - Council approval of contracts.

No contract for supplies, services or construction which obligates the city to pay more than twenty-five thousand dollars may be executed unless the council has approved a memorandum setting forth the following essential terms of the contract:

- A. The identity of the contractor;
- B. The contract price;
- C. The nature and quantity of the performance that the city shall receive under the contract;
and
- D. The time for performance under the contract.

(Ord. 1019 § 1, 2008: Ord. 874, 2000: Ord. 809 (part), 1998).

(Ord. No. 1093, § 1, 1-4-2012)

5.12.160 - Emergency procurements.

The award of any contract under this section shall be subject to prior council approval in accordance with Section 5.12.040.

(Ord. 809 (part), 1998).

I. REQUEST OR ISSUE: This form constitutes the memorandum required per Code per 5.12.040 setting forth the following:

- A. Identity of Contractor: Cordova Construction LLC
- B. Contract Price: \$40,650
- C. Nature & quantity of the work that the City shall receive under the contract:

To provide all the labor and materials to install water fountain, mop sinks, and a janitor closet.

II. RECOMMENDED ACTION / NEXT STEP: Council suggested motion “to direct the City Manager to negotiate a contract with Cordova Construction LLC to install water fountain, mop sinks, and enclose a janitor closet for a sum not to exceed forty thousand and six hundred and fifty dollars (\$40,650)”.

III. FISCAL IMPACTS: The work will be paid for with COVID Cares funding.

The award of any contract

under this section shall be subject to prior council approval in accordance with Section 5.12.040.

This memo is written in accordance with section 5.12.040.

The upgrades to Bidarki qualify for COVID Cares funding for several reasons. There are numerous CDC requirements for physical distancing and cleaning for Bidarki to be open and considered safe. The addition of mop sinks and a janitor's closet will provide cleaning stations on all floors of the building. This will make cleaning the building easier and will allow staff to meet the CDC requirements for disinfecting the building. The installation of a water fountain and touchless handwashing sink will allow the patrons to wash their hands frequently and safely.

V. LEGAL ISSUES: Contract shall be negotiated and awarded per Code sections 5.12.040 and 5.12.160.

VI. SUMMARY AND ALTERNATIVES: Council could choose not to approve the contract.
