Melina Meyer had a question about the $964K used for the PERS debt – Council had approved $1.3M. Greg Meyer said they will probably need about $100K more once PERS gives the final interest tally to CCMC.

J. Reports of Officers
10. Mayor’s Report – Mayor Koplin is in Juneau, met with Forrest Bowers, Deputy Commissioner of ADFG along with Ron Blake and Makena O'Toole and on the phone were 2 other CFDC members (Bob Smith and Andy Craig) and it was a productive meeting – he thinks it could evolve into a sea cucumber fishery in Cordova. Less productive was a meeting with Deputy Commissioner of the ADot, Mary Siroky - news was worse than expected – no service until May 15 and Aurora is in yard now, possibility of getting the Hubbard built and, in the water, to start in PWS. He also asked for one week a month Tustumena service. There were follow up meetings and there is the ability for the legislature to use reserve funding that the Marine Highway has put away that can be used for O&M and every maintenance project that is occurring right now is going dramatically overbudget. He hopes to meet with the Commissioner (Captain Falvey) in the next couple of days in Anchorage and make it clear to him that this isn’t acceptable to our community. Sounds like the union is about to ratify a contract which may be helpful as far as winter service.

11. Manager’s Report - City Manager Helen Howarth had no report to give.

12. City Clerk’s Report – Bourgeois reported on the new executive session language she has put on the agenda to make it easier to enter e.s. for good reason on any item already on the regular agenda. Also, she emailed council with instructions on how to obtain a City ID if they were interested in doing so. Meyer asked about the class action material that is in the packet. Bourgeois said the notice was sent to give City’s the ‘opt out’ opportunity. City Attorney Holly Wells has advised to do nothing at this time – Cities who are opting out might have their own litigation going against prescription drug companies. City Manager Howarth concurred with the Attorney opinion.

M/Guard S/Meyer to approve Resolution 11-19-46 a resolution of the City Council of the City of Cordova, Alaska, authorizing amendment to the FY19 budget in the amount of $18k for the EMPG-GY19 grant and the $18k City match

Guard said he thinks this is bookkeeping we need to do to save our grant money. Howarth said she can speak to all of these budget amending resolutions and say just that, these are housekeeping resolutions being brought forward by Finance Director Dean Baugh – they are to move the funds into the appropriate line-items. None of these change any Council action as far as allocating resources or agreeing to spending the money. Glasen asked if there was any new money being spent and the response was, no, these are moving funds into different line-items. Allison said he will support this, but he doesn’t agree with passing budget amendments just to make the budget look right. He asked for consistency also in these items as one of the memos mentions permanent fund when actually, this is all general fund money we are talking about. Vote on the motion: 6 yeas, 0 nays, 1 absent. Meyer-yes; Schaefer-absent; Glasen-yes; Jones-yes; Allison-yes; Guard-yes and Bailer-yes. Motion was approved.

24. City Council role in negotiations and approval of the Collective Bargaining Agreement between the City and IBEW Local Union 1547 - discussion

Jones asked for this to be put on he would like to see a council role in approving the IBEW contract. He believes that it is a big part of our budget dilemma this year and as such an expensive drain on our resources, Council should be more involved. Howarth said she has been involved in collective bargaining agreements in the past as executive director with oversight by a board of directors and what she has seen work well is when the Council/Board sets parameters with the executive director, before the negotiations and then a fiscal note is made clear as to exactly how the contract hits the budget. She believes that conversations could be had between herself and council through the process, so she and the negotiating team are made well aware of limitations, in advance of negotiations. Jones said he completely agrees. Other Council members commented and there was a consensus that this should be addressed before the next negotiation.

25. Pending Agenda, Calendar and Elected & Appointed Officials lists

Glasen said he’s been hearing from citizens about the smells that came off of Ocean Beauty’s fish oil plant this summer. Council concurred to allow staff to get in touch with the processor and address this directly with them. Bailer suggested there may be language when that was permitted about smell, etc. Planner might be able to assist. Bourgeois said she would add to pending agenda an ord change in the new year on Council role in collective bargaining negotiations/approval of contract. Meyer asked the Mayor if there was a First Alaskans update – had they responded to the Mayor’s request yet. Mayor Koplin said not yet. Bourgeois asked Mayor Koplin if he would be at Sobriety to present the proclamation approved tonight and he said yes, he did plan to attend and read the proclamation. Mayor Koplin said Representative States would also be in for Sobriety and intended to have a public meeting on November 14 as well. Bourgeois reminded everyone that next week Nov 13 - 6pm joint work session with School Board at HS, then back ere for Council budget work session (likely) – to be determined after the conclusion of tonight’s budget work session after this regular meeting.

O. Audience Participation - none

P. Council Comments

Jones apologized for not being in person and thanked everyone for their attendance tonight.

Bailer said his phone keeps ringing on this issue – staff parking up in front, taking public spots, he doesn’t know if it’s a policy or an issue – he just asked the Manager to have that discussion maybe with her staff. Bailer also asked the Manager to shoot them emails on her comings and goings, he wanted to make the public aware that Council had an agreement with you that you would be coming and going a bit until after the first of the year.

Guard would like to revisit the Beecher case at some point.
