5. DISCLOSURES OF CONFLICTS OF INTEREST

6. CORRESPONDENCE

   a. State of Alaska DOT Public Notice

7. COMMUNICATIONS BY AND PETITIONS FROM VISITORS

   a. Audience comments regarding agenda items

      Robert Beedle spoke to item 9(a). He said that they have never talked about any specific way of getting rid of City Hall and the office spaces. He has been pushing for getting rid of the Library/Museum and the City Hall building due to disrepair. They have talked about the Troopers renting it, but then the City would have tenants.
8. PLANNER’S REPORT

_Boenen_ asked what the correspondence was about. _S. Greenwood_ said that she did not know and that it was a public notice with contact information.

_Bailer_ asked if staff had looked into a building permit he had a question about. _S. Greenwood_ said that they had sent out a letter. _Boenen_ asked if someone needed a building permit for fill or for maintenance. _S. Greenwood_ said not for fill, but it is required for structural alterations. _Boenen_ said he didn’t think it needed a permit. _Bailer_ said at one point there was a dollar amount that if you went over you had to get a permit.

_McGann_ asked about the Crater Lake project. _S. Greenwood_ said that they are at the point where they are looking at three different impoundment heights. They have done a preliminary geologic report. They are having biweekly conference calls. The due date for the feasibility study is December.

_S. Greenwood_ clarified that the only two commissioners interested in going to the Planning Commissioner training in Anchorage were _Frohnapfel_ and _Boenen_. _Roemhildt_ and _Pegau_ said they were both interested, but had prior commitments.

9. NEW/MISCELLANEOUS BUSINESS

a. Disposal of a Portion of Office Space in City Hall Building

_M/Baenen S/McGann_ to recommend to City Council to remove the existing office portion of the old City Hall.

_McGann_ said that he doesn’t see any demand for office space. One benefit would be additional parking spaces for the Cordova Center. _Boenen_ said that if the City started to rent office space, there is a good chance they would take business from the private sector. The City could possibly take somebody from a location they are already renting. The original intent of the Cordova Center was to get rid of the old buildings. He overheard a conversation about the old City Hall building and heard someone say they were getting rid of it. It is better to just cut off half of the building and move the boiler over. It may cost a little, but at least they are not putting more money into it and they are not in direct competition with a local business. _Roemhildt_, _Pegau_, and _Bailer_ said they agreed.

Upon voice vote, motion passed 5-0.

_Yea_: _Bailer, McGann, Pegau, Baenen, Roemhildt_

_Absent_: _Greenwood, Frohnapfel_

10. PENDING CALENDAR

_S. Greenwood_ said that they think they will have the next meeting in the new building. _Bailer_ asked how packets can get picked up. _Stavig_ said they are still figuring that out and asked the commission how they felt about having 24/7 access to their packets. There was a mixed response from the commission.

_Bailer_ said that the City Council put out an RFP for the Library/Museum building, but he still feels like the commission should be looking at it. Unless the commission is comfortable waiting for the proposals to come in, they could have a discussion about what they wanted. _Pegau_ said he was anticipating that discussion, but the City Council moved to put out the RFP. He would still like to have the discussion, but he is not sure how productive it would be. Hopefully, if things go properly proposals will still go through the commission, so if they have that discussion prior to reviewing proposals they will have a much better feeling. _Bailer’s_ thought was that it is one more public hearing where people could let you know what they would like to see. _Stavig_ said for the rest of the commission’s information that City Council directed staff to release an RFP for the property. _Bailer_ said it was an RFP for whatever anyone wanted to do. _S. Greenwood_ said that the proposals will come to the Planning Commission first.
11. AUDIENCE PARTICIPATION

Beedle said in reading the Planner’s Report, he suggests doing a title search first in the disposal process.

12. COMMISSION COMMENTS

Pegau wanted to make a comment about Trident North. He was really happy to see that with their new bunkhouse, they used all of the parking. He knew there was some resistance to additional parking requirements. The decision to require that parking had value.

Baenen said he thought it was a good meeting and that it was interesting to see that they were all on the same page on the City Hall building.

McGann wanted to know the status of recent land sales. S. Greenwood said the Performance Deed of Trust for Nichols expires in two and a half years. Council extended the Performance Deeds of Trust for Roemhildts for another year. Camtus was five and they are half way through. Harborside is in progress. Leo Americus will be coming up soon. Mobile Grid just started. There has been some back-and-forth with Ocean Beauty.

Roemhildt thanked Beedle for coming.

13. ADJOURNMENT

M/McGann S/Pegau to adjourn the Regular Meeting at 7:02 PM.

With no objection, the meeting was adjourned.

Re: Discussion on Disposal of Library/Museum Land and Building

PART I – GENERAL INFORMATION

At the last Regular Meeting, the commission requested to have a discussion on the Library/Museum land and building prior to receiving proposals. Attached after this memo is the Request for Proposals that was released several weeks ago. The lease with option to purchase has been removed to decrease the packet size. The RFP is available on the City’s Webpage or at City Hall.

Proposals are due December 1st and the commission will give City Council a recommendation at the next Planning Commission Regular Meeting.
Request for Proposals for the Existing Library/Museum Land and/or Building

“Opportunity knocks only once. You never know if you’ll get another opportunity.”

(Leon Spinks, American Heavyweight Boxer)

The City of Cordova has a once-in-a-lifetime opportunity. We are looking for the right person, business, or organization with the vision and abilities to acquire and develop a prime piece of commercial property on Cordova’s Main Street, directly across from the new Cordova Center. City Council has asked staff to take virtually all offers for the site, the former home of the City’s Museum, Library, and community meeting room. The configuration could be all or any combinations of lots, with or without the buildings. Think creatively and act boldly for this unique chance.

SEALED PROPOSAL FORM

All proposals must be received by the City Manager by Tuesday, December 1st, 2015 at 5 PM.

Property: Lots 12-18, Block 6, Original Townsite and/or the improvements thereon. This does not include the parking/snow dump area behind the library and museum. See attached map.

Name of Proposer: _____________________________________________________________

Name of Organization: _____________________________________________________________

Address: _________________________________ Phone #: ____________________

Email: ___________________________ Email: ___________________________

Proposed Price: $____________________

The City will consider any and all proposals for the property subject to any applicable laws and regulations, including Chapter 5.22 of the Cordova Municipal Code (CMC).

All submitted proposals for the building will be reviewed by the Planning Commission. The Planning Commission will then recommend a proposal to City Council for final review and acceptance.

The City Council reserves the right to reject any proposal, part of any proposal, or all proposals. The City Council may accept and negotiate with any proposal deemed most advantageous to the City of Cordova.
In accordance with the City Code, we must announce that the fair market value for the Library/Museum building is $45,000.00 and the fair market value for each of the seven 2,500 sq. ft. lots is $24,021.00. The fair market value will be the minimum price that will be accepted unless the applicant meets the requirements of CMC Section 5.22.070. If the successful proposal amount is greater than the minimum price, the proposal amount shall be the amount paid for the building.

A purchase agreement for the building will be negotiated with the winning proposer if the building is to be relocated. The winning proposer will be required to obtain a performance bond in the amount of the proposed price. Applicants are encouraged to contact Weston Bennett, Facilities Superintendent, to review the building plans, arrange a site visit, and request more information on what is to be included with the purchase.

The attached Lease with Option to Purchase is a template for the agreement that will be negotiated with the proposal that is awarded the land with or without the existing building. The annual lease rate will be 10% of the proposed price.

All proposals shall include a deposit of $1,000.00. In the event that a proposal is not awarded the property, the City will reimburse the deposit to the proposer. The deposit will be credited to costs associated with the contract preparation.

The applicant shall also be responsible for all fees and costs the City incurred to third-parties in the transaction, including without limitation costs of appraisal, attorney’s fees and costs, surveying and platting fees and costs, closing costs and escrow fees as per CMC 5.22.100.

The estimated vacancy date of the property is 1/1/16, however this date is subject to change.

Please review the attached section of Code for the permitted uses within the Central Business District.

The City may issue addenda to this RFP. Addenda will be posted on the City Webpage with this RFP. It is the responsibility of the proposer to ensure receipt of all addenda.

For questions or more information about the land disposal process, contact the City Planning Department at 424-6220, planning2@cityofcordova.net, or stop by in person.
