CITY OF CORDOVA, ALASKA
RESOLUTION 11-20-41

A RESOLUTION OF THE COUNCIL OF THE CITY OF CORDOVA, ALASKA IN SUPPORT OF FULL FUNDING ($14,049,988) FOR THE STATE OF ALASKA MUNICIPAL HARBOR FACILITY GRANT PROGRAM IN THE FY 2021 STATE CAPITAL BUDGET

WHEREAS, the City Council of the City of Cordova, Alaska, recognizes the majority of the public boat harbors in Alaska were constructed by the State during the 1960s and 1970s; and

WHEREAS, these harbor facilities represent critical transportation links and are the transportation hubs for waterfront commerce and economic development in Alaskan coastal communities; and

WHEREAS, these harbor facilities are ports of refuge and areas for protection for ocean-going vessels and fishermen throughout the State of Alaska, especially in coastal Alaskan communities; and

WHEREAS, the State of Alaska over the past nearly 30 years has transferred ownership of most of these State-owned harbors, many of which were at or near the end of their service life at the time of transfer, to local municipalities; and

WHEREAS, the municipalities took over this important responsibility even though they knew that these same harbor facilities were in poor condition at the time of transfer due to the state’s failure to keep up with deferred maintenance; and

WHEREAS, consequently, when local municipal harbormasters formulated their annual harbor facility budgets, they inherited a major financial burden that their local municipal governments could not afford; and

WHEREAS, in response to this financial burden, the Governor and the Alaska Legislature passed legislation in 2006, supported by the Alaska Association of Harbormasters and Port Administrators, to create the Municipal Harbor Facility Grant program, AS 29.60.800; and

WHEREAS, the Council of the City of Cordova, Alaska, is pleased with the Department of Transportation and Public Facilities administrative process to review, score and rank applicants to the Municipal Harbor Facility Grant Program, since state funds may be limited; and

WHEREAS, for each harbor facility grant application, these municipalities have committed to invest 100% of the design and permitting costs and 50% of the construction cost; and

WHEREAS, the municipalities of the City of Cordova, City and Borough of Sitka, City and Borough of Juneau, City of Seward, and City of Sand Point have offered to contribute $14,049,988 in local match funding for FY2022 towards five harbor projects of significant importance locally as required in the Harbor Facility Grant Program; and

WHEREAS, completion of these harbor facility projects is all dependent on the 50% match from the State of Alaska’s Municipal Harbor Facility Grant Program; and
WHEREAS, during the last ten years the Municipal Harbor Facility Grant Program has only been fully funded twice; and

WHEREAS, a survey done by the Alaska Municipal League of Alaska’s ports and harbors found that from the respondents, the backlog of projects necessary to repair and replace former State-owned harbors has increased to at least $500 million; and

WHEREAS, over the last five years, municipal harbors have submitted $58 million in capital project match requests, representing over $116 million in shovel-ready capital projects that have received only $16.6 million in funding through the Municipal Harbor Grant Program with zero funding in FY21.

NOW THEREFORE BE IT RESOLVED that the City Council of the City of Cordova, Alaska, urges full funding in the amount of $14,049,988 by the Governor and the Alaska Legislature for the State of Alaska’s Municipal Harbor Facility Grant Program in the FY 2022 State Capital Budget in order to ensure enhanced safety and economic prosperity among Alaskan coastal communities.

PASSED AND APPROVED THIS 18th DAY OF NOVEMBER 2020.

Clay R. Koplin, Mayor

E. Disclosures of Conflicts of Interest and ex parte communications - none

F. Communications by and Petitions from Visitors
1. Guest speaker
a. Incident Management Team, Covid-19 update – City Manager Helen Howarth reported: 1) we are actively continuing our response from a health perspective and a public communications perspective, there are 6 individuals on the IMT, we meet every 2 weeks, we are keeping things going; airport ambassadors, testing in town 6 days per week; we are at a place of careful participation in our community with most places are open and functioning.

2. Audience comments regarding agenda items - none
3. Chairpersons and Representatives of Boards and Commissions
   Tom Bailer, City representative to the PWSAC Board reported that the executive director has resigned - it was on good terms and they are looking now for a new manager. Currently, Tom Carpenter is the president of the board and many of the executive committee are Cordovans which is always good.
   Greg Meyer, CCMCA Board chair was present via teleconference and reported: 1) staff has been busy with Covid preparations and spending Covid funding $180,000 on a centralized monitoring system, a new 4WD wheelchair accessible van, an upgraded and updated nursing call system for $150,000, new telephone system, digital X-ray machine, new HVAC system, there is about $3 million in Covid money left to spend; 2) he spoke with NVE, Bert Adams today, they are still on board – they are dealing with Covid like everyone else, they have a few new board members, he figures we should give it a few months and maybe they’d get us something by March.

Council questions: Schaefer asked if there has been a completed 2019 audit yet. Meyer said yes, he will get that to Howarth.
4. Student Council representative - vacant

L. Ordinances and Resolutions
13. Ordinance 1192 An ordinance of the Council of the City of Cordova, Alaska, repealing and reenacting Cordova Municipal Code Title 2 “Elections” to update and clarify the City election process, add authority to modify voting requirements during an emergency, adopt an early voting process and expand the vote by-mail process to promote and support remote voting – 2nd reading

M/Allison S/Bailer to adopt Ordinance 1192 An ordinance of the Council of the City of Cordova, Alaska, repealing and reenacting Cordova Municipal Code Title 2 “Elections” to update and clarify the City election process, add authority to modify voting requirements during an emergency, adopt an early voting process and expand the vote by-mail process to promote and support remote voting.

M/Allison S/Bailer to amend the ordinance proposed section 2.04.090 to delete the word ordinance and replace it with resolution subject to a public hearing.

Vote on the motion to amend: 5 yeas, 0 nays, 2 absent. Schaefer-yes; Sherman-absent; Bailer-yes; Meyer-absent; Allison-yes; Guard-yes and Glasen-yes. Motion was approved.

Allison and Bailer asked the City Clerk about section 2.24 Election Emergency Plan. Bourgeois was able to answer questions and they seemed comfortable with the section. Schaefer, Guard and Glasen said they would support the ordinance.

Vote on the main motion: 5 yeas, 0 nays, 2 absent. Meyer-absent; Allison-yes; Bailer-yes; Sherman-absent; Glasen-yes; Guard-yes and Schaefer-yes. Motion was approved.

14. Resolution 11-20-39 A resolution of the Council of the City of Cordova, Alaska, placing a ballot proposition before the voters at the Regular Election of March 2, 2021 amending Section 5-19 entitled “Personal Interest” to clarify the language and expand the city’s ability to purchase, exchange, sell and contract with elected officials and the city manager without competitive procurement so long as council approves sales, purchases, exchanges or contracts of substantial value via ordinance and the city publicly discloses the essential terms of all such transactions

M/Bailer S/Allison to approve Resolution 11-20-39 A resolution of the Council of the City of Cordova, Alaska, placing a ballot proposition before the voters at the Regular Election of March 2, 2021 amending Section 5-19 entitled “Personal Interest” to clarify the language and expand the city’s ability to purchase, exchange, sell and contract with elected officials and the city manager without competitive procurement so long as council approves sales, purchases, exchanges or contracts of substantial value via ordinance and the city publicly discloses the essential terms of all such transactions

Allison said this was discussed with the City Attorney and she has written this taking Council’s comments into account in this language. He said we will have to explain this well to citizens that this isn’t Council trying to pad anyone’s pockets but instead we want the City to have the flexibility in a small community to get projects done. Glasen supports putting this in front of the voters. Guard and Schaefer also said they are in favor. Schaefer pointed out a small typo in the resolution which the Clerk said she could fix without a formal amendment.

Vote on the motion: 5 yeas, 0 nays, 2 absent. Sherman-absent; Schaefer-yes; Guard-yes; Meyer-absent; Allison-yes; Glasen-yes and Bailer-yes. Motion was approved.

15. Resolution 11-20-40 A resolution of the Council of the City of Cordova, Alaska, continuing the City’s declaration of a local emergency arising from Covid-19

M/Bailer S/Schaefer to approve Resolution 11-20-40 A resolution of the Council of the City of Cordova, Alaska, continuing the City’s declaration of a local emergency arising from Covid-19
Schaefersaid she supports this; the pandemic is not over, and this will allow us to get federal and state assistance should it become available again. Allison said he doesn’t support this; he doesn’t believe we are in an emergency. Guard and Glasen spoke in favor of this.

Vote on the motion: 4 yeas, 1 nay, 2 absent. Glasen-yes; Bailerv-yes; Meyer-absent; Guard-yes; Allison-no; Schaefers-yes and Sherman-absent. Motion was approved.

M. Unfinished Business
16. Overview of E-911 and City addressing, Council discussion – after some discussion and questions and answers, Council opted to direct the manager to report back to them – what they seemed most interested in doing was getting moving on updating City addressing. They discussed at Pending Agenda and came up with a report back after the first of the new year.

N. New & Miscellaneous Business
17. Discussion of COVID-19 Emergency Response
Bailer offered praise to City staff, hospital staff, NVE staff
18. Pending Agenda, Calendar and Elected & Appointed Officials lists
Bailer mentioned the City Manager’s evaluation on the PA - listed as in October. Mayor Koplin said he’d get the packets out to Council. They also put addressing on Pending Agenda for a report back with a recommendation after January 2021.
Glasen mentioned the extremely unsafe conditions when roads are slick on the highway near Mavis Island. He wondered if the Mayor could somehow contact DoT, perhaps a guardrail there would be considered.

O. Audience Participation - none

P. Council Comments
Guard thanked staff, thanked Paul Trumblee for the E-911 report.
Glasen echoed the thanks to Helen, staff.
Bailer thanked the poll workers for the recent election. No place easier to vote than in Cordova.

Q. Executive Session
19. Disposal of ASLS 79-258 in executive session because it is a matter the immediate knowledge of which would clearly have an adverse effect upon the finances of the government
M/Allison S/Glasen to go into executive session to discuss disposal of ASLS 79-258 which is a topic for executive session because it is a matter the immediate knowledge of which would clearly have an adverse effect upon the finances of the government
Vote on the motion: 5 yeas, 0 nays, 2 absent. Motion was approved.
Mayor Koplin recessed the meeting at 8:23 pm to clear the room.
Council entered the executive session at 8:25 pm and came back into open session at 8:57 pm.
Mayor Koplin said no decisions were made in the executive session.

R. Adjournment
M/Glasen S/Allison to adjourn the meeting.
Hearing no objection Mayor Koplin adjourned the meeting at 8:58 pm.

Approved: November 18, 2020

Dear Clay Koplin,

What a year! Appreciate your efforts and leadership during the Spring and Summer. Having the support from yourself, city manager, city council, and EMC during the introduction of Corona to Alaska was a fantastic support. It’s not how you start, but how you finish. The pandemic has not stopped, and I feel confident the Ocean Beauty C-19 will only be better. Thank you again!

Sincerely,

Bruce O’Leary
AGENDA ITEM # 13
City Council Meeting Date: 11/18/20

CITY COUNCIL COMMUNICATION FORM

FROM: Planning Staff

DATE: 11/11/20

ITEM: Letter of Interest from Cannery Row, Inc. for ASLS 79-258

NEXT STEP: Direct City Manager on Disposal and Disposal Method

_____ INFORMATION
__X__ MOTION
_____ RESOLUTION

I. REQUEST OR ISSUE:

Requested Actions: Direct City Manager on Disposal and Disposal Method
Applicant: Cannery Row, Inc.
Legal Description: ASLS 79-258
Lot Area: 21.55 AC
Zoning: Waterfront Industrial District
Location Map: Location Map
Plat
Localized Zoning Map
2019 Cordova Comprehensive Plan Future Land Use Map
Letter of Interest from Cannery Row, Inc. with attachments

II. RECOMMENDED ACTION / NEXT STEP:

Staff suggest the following motion:
“I move to direct the city manager to dispose of ASLS 79-258 as outlined in Cordova Municipal Code 5.22.060 B by *”

Choose one of the following to insert for the asterisk:

1. Negotiating an agreement with Cannery Row, Inc. to lease or purchase the property.
2. Requesting sealed proposals to lease or purchase the property.
3. Inviting sealed bids to lease or purchase the property.
4. Offering the property for lease or purchase at public auction.

III. FISCAL IMPACTS:

Fiscal impacts include the potential purchase price of the property and future property tax revenue.

IV. BACKGROUND INFORMATION:

This property is currently designated ‘Available – Requires Subdivision’ on the 2020 Land Disposal Maps. This designation has the following definition:

**Available - Requires Subdivision** – These parcels are considered ‘Available.’ These are large parcels of land which would most likely be developed as a subdivision. The disposal process for these parcels is complex and could take a significant amount of time. Many require some or all of the following: city acquiring title to the land from the state, an extensive amount of surveying, or subdivision development agreements. Many of these parcels include city improvements that would not be disposed, such as access roads, water infrastructure, trails, cemeteries, etc.

This property is zoned in the Waterfront Industrial District, while neighboring properties are zoned Waterfront Commercial Park District, Low Density Residential, and Conservation (see attached map). Development of the subdivision would likely require rezoning or conditional use permitting for some or all of the property. The Future Land Use Map (attached) from the 2019 Cordova Comprehensive Plan has identified this property and the property to the north as “In-Town Mixed Use,” which was a land use category created primarily for undeveloped property where best use could be determined with further public engagement.

The property contains an old quarry site, which has been unused for decades. The city owns a significant amount of land along Orca Road which could be used as a future rock source as needed if this property was disposed of. This property also contains the burn pile, which could be relocated to a new negotiated location on the property or a different location altogether. The property is adjacent to Orca Road which is a State DOT road which requires driveway permits.

The City water main is located in Orca Road. A sewer main is being extended to the new Science Center facility located directly south of the project. For sewer to be available to this property, the sewer main would have to be extended and a sewer lift station would likely be required.

Applicable Code:

5.22.040 - Letter of interest to lease or purchase.

C. The planning commission shall review the letter of interest and recommend to the city council whether to offer the real property interest for disposal by one of the methods as described in
Section 5.22.060(B).

5.22.060 - Methods of disposal.
B. In approving a disposal of an interest in city real property, the city council shall select the method by which the city manager will conduct the disposal from among the following:
1. Negotiate an agreement with the party who submitted a letter of interest to lease or purchase the property;
2. Invite sealed bids to lease or purchase the property;
3. Offer the property for lease or purchase at public auction;
4. Request sealed proposals to lease or purchase the property.

9/2/20 – Received a letter of interest from Cannery Row, Inc. for the property.

9/8/20 – At the Planning Commission Regular Meeting, the commission recommended that City Council directly negotiate with Cannery Row, Inc. From the unapproved meeting minutes:

M/Pegau S/Hall to recommend to City Council to dispose of ASLS 79-258 as outlined in Cordova Municipal Code 5.22.060 B by negotiating an agreement with Cannery Row, Inc. to lease or purchase the property.

Pegau said this was one of the rare times where direct negotiation makes sense because of the land swap. The land swap may not be exactly for what is proposed and hopefully the city makes the decision that is best for the city in the long run. It is a good approach for dealing with the area and the water tank issue. Hall said it would save the city a lot in the long run.

Baenen said that the quarry was used to fill the north and south fills. There has been talk of expanding the harbor and he would like to know where the rock would come from. The city should make sure they still have an area that could be used as a future quarry that wouldn’t require a lot investment to start. He agrees it is a great concept for a subdivision.

Bird said she agreed with Pegau about doing direct negotiation. McGann said that concerning the availability of rock, the city owns a significant amount of property along Orca Road that could be developed into a pit. The development of a new quarry isn’t a big issue. The cost of rebuilding a tank would be very expensive and there is no obligation in the lease that it gets renewed.

Pegau asked Stavig if the motion on the table limits the city to only disposing the entire lot and not being able to negotiate only a portion of the property. Stavig said that negotiations could end up just being for a portion of the whole property. He also verified that the land swap could end up being different than what was included in the letter of interest.

Stavig said that the water tank is critical to the overall water system, particularly for seafood processing, as there is a large water main coming from the Orca Treatment Plant. Baenen said that it is difficult and expensive to develop a new pit, particularly if it is a vertical face right off of a road. Hall said he understood Baenen’s comments and he is correct, but the land disposal maps show it as ‘Available.’ The subdivision should provide access to adjoining city land.

McGann said the letter of interest was just the beginning of the process. Subdivisions and possible rezonings would come before the commission for their review as they came up. The Comprehensive Plan is the result of public input, and one thing that came up at every meeting was
more land for residential or mixed-use. The letter of interest is in line with what the community wants.

Upon voice vote, motion passed 5-0.
Yea: McGann, Pegau, Baenen, Bird, Hall
Absent: Bolin, Lohse

11/4/20 – At the City Council Regular Meeting, council made a motion to request sealed proposals and ultimately referred the item back to staff. From the meeting minutes:

M/Allison S/Bailer to dispose of ASLS 79-258 as outlined in Cordova Municipal Code 5.22.060 B by requesting sealed proposals to lease or purchase the property.
Allison said one of the proposals we look at can be this one before us offering a swap, but he needs more information before he can consider that. Bailor said he agrees with Allison. he said this is basically a land swap, anyone can do a colored picture showing a subdivision, there’s not really nuts and bolts to any of this. He thought Council should have an executive session so he could get legal answers to some questions about this. Sherman agrees with proposals and would also ask for the executive session. Glasen agrees. Guard agrees he needs more information and would like to enter executive session. Schaefer agreed also.
M/Allison S/Bailer to go into an executive session to consider a matter the immediate knowledge of which would clearly have an adverse effect upon the finances of the government specifically the disposal of ASLS 79-238.
Vote on the motion: 6 yeas, 0 nays, 1 conflict of interest. Guard-yes; Schaefer-yes; Meyer-coi; Allison-yes; Sherman-yes; Glasen-yes and Bailer-yes. Motion was approved.

Council entered the executive session at 9:34 pm and came back into open session at 10:14 pm.
After the executive session, the item that was back on the table before Council was this motion:
M/Allison S/Bailer to dispose of ASLS 79-258 as outlined in Cordova Municipal Code 5.22.060 B by requesting sealed proposals to lease or purchase the property.
M/Bailer S/Glasen to refer this motion back to staff.
Mayor Koplbin said for further clarification that would be placed on Pending Agenda and a staff report would be back before Council before December 31, 2020. Bailor agreed, the purpose is to get more information before making a decision.
Vote on the motion to refer: 6 yeas, 0 nays, 1 conflict of interest. Schaefer-yes; Meyer-coi; Allison-yes; Sherman-yes; Bailor-yes; Guard-yes and Glasen-yes. Motion was approved.

VI. LEGAL ISSUES:
Legal review of disposal documents is required.

VII. CONFLICTS OR ENVIRONMENTAL ISSUES:
N/A

VIII. SUMMARY AND ALTERNATIVES:
Council could take no action, which would result in the city retaining the property.

Dear Cordova City Manager, Helen Howarth,

Please consider this a request to exchange a parcel of property adjacent to the Science Center lot identified by the City as "available" for development. The said property (identified as #02-041-999), also contains a little used gravel pit (commonly referred to as the Joslyn Quarry). We retain an ownership in this quarry for 65,000 yd³ of rock. This ownership is part of a lease agreement with the City for the water tank on our property (attached hereto). The water tank sits on one parcel identified as (portion) Comet Lode, USMS 878 (#02-053-420). The lease on the water tank property runs out in 16 yrs.

Our preference would be an exchange of the property that the water tank sits on, including a sizable portion of the Comet Load.

The current value on the City Tax rolls of the vacant City Lot is $19,100. The current value on the water tank land is $944,600, excluding the rest of the Comet Lode. We would propose for exchange, a portion of the Comet load that includes the water tank, access road, and a new property line further up.

An exchange benefits both parties: The City will satisfy the land lease that will soon become due. The water tank is of obvious value to the City, and replacement, removal, or relocation, would be very expensive. It is accessible by a road directly from the Terminal Access Road. As undeveloped land, it does not return the highest and best property tax to the City. We also believe it fully fits well with the City's Current Comprehensive Plan.

We have looked at development of the Comet Load property ourselves. It is possible, but problematical. It would take a few years to develop. This City property is something we could proceed with quickly, and not have to go through access easements with adjoining properties or work around the water tank. Those development plans would likely preclude our extension of the water tank lease. Development of the City property would allow us to remove the rock owed to us, as well as get a subdivision of the parcel proceeding, which will return additional property tax, water & sewer fees to the City.

Thank you for your consideration.

Sincerely,

Greg Meyer

Described parcel contains 23,694 S.F. (0.54 AC.) more or less.

This property is shown on the map prepared September 20, 1981 by John L. Joslin and attached hereto and incorporated by reference as Exhibit "A".

2. Purpose of lease. The purpose of the lease is so that the City of Cordova may construct, erect, maintain and operate, during the period of the lease, a municipal water storage and supply facility of approximately .5 million gallon capacity.

3. Term of lease. This lease shall be in force and effect for a period of 55 years from the date of this lease.

4. Morpac to lease the property to City. Morpac does hereby lease and demise unto the City all and the whole of the above-described property for the purposes described herein.

The City hereby agrees to pay to Morpac the sum of $45,000,000.00, forty-five million dollars, as compensation for the property described herein. The said sum shall be paid as follows:

Total compensation for the lease by the City to Morpac at the above-described property shall be the following: The City agrees as consideration for this lease the right to Morpac to remove, at Morpac's expense, not more than 65,000 cubic yards

LEASE/1
of rock in place from City-owned quarry site generally described and known as the Joslin Quarry, located in the City of Cordova. This right may be exercised at anytime during the term of this lease, unless the City, in its discretion, closes the quarry site or denies it to a use inconsistent with removal of rock; but the City shall give MorPac two years notice of such closure if MorPac has not previously removed all of its 65,000 cubic yards of rock. Such removal by MorPac shall be subject to the following conditions: (a) measurement of the amount of rock removed shall be by truckload capacity count; (b) MorPac shall advise the City not less than ten (10) days prior to its intent to remove rock in any amount of its intent to remove the same, and may remove rock when requested unless such removal at that particular time shall be deemed to interfere with City operations in the quarry or operations of others in the quarry who have previously commitments for use of the quarry or removal of rock from the quarry. This limitation shall not, however, in any way limit the amount of rock that may be removed; (c) MorPac shall bear all and the whole of any expense from rock removal including blasting, use of loading equipment, or trucks, and shall be responsible for any cleanup to render the rock quarry safe after the removal operations by MorPac. All removal operations by MorPac, including blasting, shall be in accordance with governing City and State law, including all safety regulations, but such requirements shall not be deemed a limitation on the amount of rock that may be removed; (d) no warranty is given by the City as to suitability as to rock removed for any particular purpose nor does the City make any warranties as to the nature in which the rock will fracture upon blasting, nor to its quality; (e) Subject to the foregoing restrictions, MorPac shall have full responsibility for its own blasting and excavation operations; (f) MorPac hereby agrees to save the City harmless and indemnify the City from any claims which may arise from injury to persons or property resulting from MorPac's blasting, excavation, or removal or transportation of any rock or earth materials; (g) the exact location of such removal shall be designated by the City providing that such designation shall be reasonable, consistent with the efficient use of the quarry by others, so long as such designation does not create an unreasonable economic burden in the removal of the rock by MorPac; (h) within five days of its removal of rock, MorPac shall advise the City of its load count and the total yards removed, the City and MorPac may both maintain a cumulative running total of the amount removed by MorPac. Unless the City shall specifically object to the load count provided by MorPac within ten (10) days after advice of the load count by MorPac, such load count shall be final and conclusive upon the City and MorPac.

6. Use of leased property by the City. The City may take all necessary steps to construct, maintain and operate the water storage facility, including excavation of earth materials, removal and wasting of earth materials, removal of timber, construction of pipes, roadway, electrical facilities, fencing, gates, maintenance shelters or other structures necessary to the use of the property for water storage and supply. The City specifically agrees that it shall, within the six months of the completion of the facility itself, erect around the facility for safety purposes. The City will indemnify and hold MorPac harmless for any claims arising against MorPac from the construction or use of the water storage facility throughout the term of this lease.

7. Use of water facility for general municipal purposes. The water facility will be used for general municipal
purposes. This lease shall not entitle Morpac to any preferential rate treatment for use of water from such facility.

8. Disposal of excavated material and timber. The City shall have the sole rights to make whatever use it sees fit of excavated material from this site, and timber removed from this site.

9. No accessory uses. This lease shall not entitle the City to any additional or accessory uses to any property adjoining the leased property nor does this lease grant the City the right to commit waste upon or damage adjoining property.

10. City to have exclusive use of storage site, and preferential use of roadway access. The City shall have sole and exclusive use of the approximate 120' by 120' area enclosing the tanks, and shall have primary use of the access road. Primary use shall mean that the access road may be used by Morpac for itself or rights may be given to others provided, however, that no other such use shall interfere in any way with the City's use of the access road to erect or maintain the water facility, and in the event such use interferes with the use by the City of the access road, that accessory use, whether by Morpac itself or by Morpac's subsequent lessees or grantees, shall cease. In the event Morpac desires to utilize the access road for itself or to its subsequent lessees or grantees, it shall specifically advise the City in writing of such proposed use, the nature of such use, and the extent and duration of such use. Such notice shall be given at least 90 days before such proposed use. In the event such accessory use is permitted by the City, Morpac, for itself, its successors and assigns, hereby agrees to hold the City harmless from any claims for injury to persons or property arising from such accessory use, and will, at its own expense, repair any damages occurring to the access roadway from such accessory use.

11. Assignment. The City covenants that the property shall be used only for the purposes mentioned here, and that no assignment or sublease will be made to any private person, firm or individual without the prior consent of the lessor. However, such consent shall not be unreasonably withheld, so long as the purposes of the assignment shall be for the continuing use of the property for water storage and supply. In the event the City of Cordova shall transfer, sell or assign its water utility functions to a separate municipal entity or to a public utility which is duly authorized by law to operate all and the whole of the City of Cordova's water supply system, then such assignment, if such assignment is a part of the transfer or assignment of all and the whole of the City's water facility, may be made without consent of Morpac, provided such transfer shall be made in accordance with law and in accordance with all applicable regulations and with the approval of any state public utility commission whose approval may be required by law.

leaseable for the maintenance and repair of the water supply facility, and shall bear all costs necessary to such maintenance and supply including all costs of the maintenance of the roadway.

13. Waivers. Any failure of either Morpac or the City to insist upon strict observation of any of the provisions
of this lease shall not constitute or be deemed a waiver at that
time or thereafter of any such provision.

14. Successors bound. All the terms of this lease
shall be binding upon and inure to the benefit of the heirs
of the successors, administrators and assigns of Morpac and
the city.

15. Warranty of title. Morpac warrants by the
execution of this lease that it is the owner of the property
which is the subject of this lease and it will forever defend
and indemnify the City from any claims from others arising
from the execution of this lease.

16. Ownership of improvements. If, upon expiration
of this lease, the lease is not renegotiated, renewed or rein-
stated, all improvements placed there by the City, with the
exception of earth fill materials, shall be and remain the
property of the City and may be removed by the City without
incurring liability, unless such removal shall cause damage
to the adjoining property which is not the subject of this
lease. If such improvements are not removed by the City of
Cordova within six months of the expiration of this lease,
the property shall be deemed abandoned, and Morpac may, by
giving written notice to the City, declare the property to be
deemed abandoned. Unless the City shall remove such property
within sixty days from the date of such notice (following
six months from the termination of the lease), the property
shall be conclusively presumed to have been abandoned and shall
become the property of Morpac or its successors or assigns.

DATED this 17 day of December, 1981, at
