I. REQUEST OR ISSUE: Continuation of the HPC per code and appointments to HPC.

II. RECOMMENDED ACTION: Approval of a motion to 1) continue the existence of the Historic Preservation Commission as required by Cordova Municipal Code 18.90.050 and 2) to concur with Mayor Koplin’s appointments of John Wachtel, Nancy Bird and Wendy Ranney to the HPC for 3-year terms to expire in November 2021.

III. FISCAL IMPACTS: none

IV. BACKGROUND INFORMATION:

Cordova Municipal Code 18.90.050

18.90.050 - Continuation.

The city council, annually at the first meeting in November, by an affirmative vote, may continue the existence of the commission. In the absence of an affirmative vote by council, the commission will cease to exist within thirty days.

(Ord. 751, 1995; Ord. 746 § 5, 1994).

Also attached here are letters of interest in attaining seats on the HPC, from Nancy Bird, John Wachtel and Wendy Ranney. See the specific HPC membership criteria. Nancy Bird would fit as P & Z commission member, John Wachtel as the professional from the discipline of architectural history, and Wendy Ranney as a Cordova resident with a demonstrated interest or knowledge of historic preservation.

18.90.010 - Cordova historical preservation commission established.

A. There is created a historic preservation commission. The commission shall have seven members which shall consist of one currently sitting member of the Cordova planning and zoning
commission, one current member of the Cordova historical society, one member selected by the
native village of Eyak and four public members appointed by the mayor and confirmed by the city
council. One of the public members shall be a Cordova resident with a demonstrated interest or
knowledge of historic preservation. The final three members shall be professionals, as defined by
the National Park Service Regulations, from the disciplines of history, architecture or architectural
history, and archaeology.

V. LEGAL ISSUES: Legally required action by council.

VI. CONFLICTS OR ENVIRONMENTAL ISSUES: none

VII. SUMMARY AND ALTERNATIVES: Approve the suggested motion. Direct the Mayor or staff in
a different way.

6th November 2018

Clay Koplin  
Mayor  
Cordova, Ak 99574

Mayor Koplin,

I am writing today to express my interest to continue serving on the Cordova Historic Preservation Commission (HPC) as the Historical Architect.

As a Historical Architect for the National Park Service Alaska Regional Office, I offer technical assistance to preservation groups across the state. I have especially enjoyed engaging with and assisting the Cordova HPC for the past two years and I am eager to continue with this support through an additional term.

Thank you for your time, and for the opportunity to serve on this important commission.

Sincerely,

John Wachtel  
National Park Service  
Historical Architect
September 24, 2018

Dear Mayor Koplin and Cordova City Council members,

I am interested in continuing to serve on the Cordova Historic Preservation Commission as a member representing the Planning and Zoning Commission.

Thank you.

Sincerely,

Nancy Bird

Dear Mayor Koplin,

I am writing this letter to show interest in serving on the Historic Preservation Commission. My husband and I live in one of Cordova’s Largest Historic Districts’ and strive to keep the integrity and historical accuracy as alive as we can. I am working on a Master’s Degree with a minor in Archival Management which speaks to my love of the research and preservation of historical documents. I am also a Life Member in the Cordova Historical Society and pass along any leads that I come across in my personal research that the local Historical Society may be interested in.

I have a vested interest in the History of Cordova and feel that I would be an asset to the Commission.

Thank you for your consideration.

Sincerely,
Wendy Ranney
AGENDA ITEM 7
City Council Meeting Date: 11/21/2018
CITY COUNCIL COMMUNICATION FORM

FROM: Samantha Greenwood, Interim Public Works Director
DATE: 11/14/2018
ITEM: Award of Utility Truck per the State ITB - ADOT State Equipment Fleet

NEXT STEP: Council authorizes the City Manager to negotiate this contract.

_____ ORDINANCE  _____ RESOLUTION
__X__ MOTION  _____ INFORMATION

I. REQUEST OR ISSUE: This form constitutes the memorandum required per Code para 5.12.040 setting forth the following:

A. Identity of Contractor: Kendall Ford

B. Contract Price: $38,078.00

C. Nature & quantity of the work that the City shall receive under the contract:

One 2018 Ford V-8 ¾ ton 4X4 utility truck

D. Time for performance under the contract:

In Stock. Pick up in Anchorage

II. RECOMMENDED ACTION / NEXT STEP: Council approves motion to direct City Manager to negotiate a contract with Kendall Ford to provide one 2018 Ford, Gas, V-8, ¾-ton, 4X4, utility truck per the State ITB - ADOT State Equipment Fleet for a sum not to exceed Thirty-Eight thousand and seventy-eight dollars ($38,078.00).

III. FISCAL IMPACTS: Payment for the truck will come from two places 1) sewer budget equipment and furnishings line item 503-401-55020 - $18,499.00 and 2) from sewer depreciation reserve fund line item 703-390-41030 - $19,579.00, for total of $38,078.00.

IV. BACKGROUND INFORMATION: This utility truck will replace the 2005 Chevy Express Van. The City equipment list in the City of Cordova 2018 Budget Book on page 16-17 describes the 2005 Van as 3 years beyond its life expectancy and categorizes it as “needs replacement”.
V. **LEGAL ISSUES:** Contract shall be negotiated and awarded per Code sections 5.12.040 and 5.12.100 and 5.12.170.

VI. **SUMMARY AND ALTERNATIVES:** Council could choose not to direct the Manager to proceed with this purchase which would require continued use of a vehicle in poor condition and would require continue mechanics time and reduce efficiency of the sewer department.
5.12.040 - Council approval of contracts.

No contract for supplies, services or construction which obligates the city to pay more than twenty-five thousand dollars may be executed unless the council has approved a memorandum setting forth the following essential terms of the contract:

A. The identity of the contractor;
B. The contract price;
C. The nature and quantity of the performance that the city shall receive under the contract; and
D. The time for performance under the contract.

(Ord. No. 1093, § 1, 1-4-2012)

5.12.100 - Competitive sealed bidding.

Unless otherwise authorized under this chapter or another provision of law, all city contracts for supplies, services and construction shall be awarded by competitive sealed bidding.

(Ord. 809 (part), 1998).

5.12.170 - Award to responsible bidder or proposer.

A contract award under this chapter shall be made only to a responsible bidder or proposer. The city manager shall determine whether a bidder is responsible on the basis of the following criteria:

A. The skill and experience demonstrated by the bidder in performing contracts of a similar nature;
B. The bidder's record for honesty and integrity;
C. The bidder's capacity to perform in terms of facilities, equipment, personnel and financing;
D. The past and present compliance by the bidder with laws and ordinances related to its performance under the contract; and
E. The bidder's past performance under city contracts. If the bidder has failed in any material way to perform its obligations under any contract with the city, the city manager may consider the bidder to be not responsible.
F. The bidder's past performance of financial obligations to the city. If at the time of award the bidder is delinquent, overdue or in default on the payment of any money, debt or liability to the city, the city manager shall consider the bidder to be not responsible.

(Ord. 809 (part), 1998).
Comprehensive Plan

Planning Staff Update
Project Begin – 11/8/18

- Comprehensive Plan Committee almost finalized. Current committee members are: Bret Bradford, Brooke Johnson, Cathy Renfeldt, Dave Zastrow, Katrina Hoffman, Kristin Carpenter, Nancy Bird, Tom McGann, Olivia Carrol, Ken Jones (ex-officio), and Melina Meyer (ex-officio).
- Two public meetings were held: Committee Kick-off on October 23rd and Cordova Community Conversation #1 on October 25th. Both had high attendance from the committee and the public.
- There is a website for the project: www.cordovacompplan.com. Check the website over the course of the project to see updates. Sign up for email updates!
- There is a short survey for the Comprehensive Plan that community members can take either online or on paper through December 31st. Paper copies will be available at City Hall, the library, and the hospital. The link to the survey is: https://www.surveymonkey.com/r/futurecordova, or use the QR code:

![QR code]

- Agnew::Beck team has completed around 20 interviews with committee members and other community members. They have also been collecting background information and beginning other forms of outreach and data collection for the project.
- The project team is also working on an online interactive map where residents can post comments.
- Sam and Leif will have an informational table at Sobriety and will do the same at Bidarki Bazaar.

The Cordova area has historically been home to the Alutiiq and migrating Athabascan and Tlingit Natives who called themselves Eyaks. Today the community has a significant Eyak Athabascan population with an active council, the Native Village of Eyak.

What have we learned so far?

What is important to Cordova residents? What do we value most about our community?

• Sense of community, small-town feel
• Family-friendly, quality schools
• Active volunteers, commitment/service to community
• Creative, artistic, well-educated, resourceful residents
• Support for local businesses
• Ready access to outdoor recreation, natural resources
• History and culture

What are our biggest challenges and potential areas for improvement?

• Undiversified economy, overdependence on one industry
• Aged harbor, lack of waterfront infrastructure
• Lack of access, ability to effectively move goods and people
• Lack of affordable, quality housing
• Limited land base and options for growth
• Limited affordable, appropriate commercial space
• Small workforce, limited training and certification options

What are our potential priorities? What projects or strategies will help us achieve our goals?

• Replace and expand harbor and waterfront infrastructure
• Advocate for consistent, reliable ferry service
• Provide affordable and quality healthcare and housing
• Expand Cordova Center use, revenue generation
• Revitalize main street, uptown
• Continue strategic marketing and support visitor industry
• Incentivize small business development
• Explore Prince William Sound borough formation

What is a Comprehensive Plan?

A comprehensive plan is a process for communities to plan for their future by creating a long-term vision, community goals, and practical short-term strategies. The updated plan will guide decision-making on topics including land use, housing, economic development, transportation and quality of life. Cordova’s Comprehensive Plan was last updated in 2008.

What have we accomplished since we last updated our plan in 2008?

- Completion of the Cordova Center
- Upcoming relocation and expansion of the Prince William Sound Science Center
- Addition of new travel lift
- Development of Native Village of Eyak’s Ilanka Community Health Center
- Improvement to community drinking water infrastructure
- Completion of school remodel in 2012
- Expansion of medical capabilities at the hospital
- Increase in emergency preparedness planning
- Establishment of the Salmon Jam – Copper River Wild Salmon Festival

Task Schedule
Task 1 – Project Initiation: September/October 2018 (Start date: September 1, 2018)
Task 2 – Background Collection and Data Synthesis: October 2018 through February 2019
Task 3 – Community and Stakeholder Engagement: October 2018 through October 2019
Task 4 – Draft Plan: November 2018 through May 2019
Task 5 – Final Plan: August through October 2019 (End date/plan finalization: October 31, 2019)
Task 6 – Ongoing Project Management: September 2018 through October 2019
Task 7 – Potential Subtopic Development: September 2018 through October 2019

Process/Deliverable Schedule:
September – October 2018
- Form core group – Staff (2), Planning Commission (2), City Council (2),
- Conduct 10-15 interviews:
  - Core group members
  - Other key stakeholders – organized/selected by comp plan focus area – land use (land owners, real estate), housing, economic development (commercial fishing, recreation/tourism, small businesses), fiscal health, public services and infrastructure, transportation, quality of life
- Identify potential focus area working group members – small groups of “local experts” that will work with the team to review topic-specific materials and draft plan components
- Review/summarize existing plans and other relevant work/projects
- Develop plan structure – use A:B proposal regarding Task 4 as a starting point, and to include discussion and identification of any additional subtopics, and related additional contracting budget, the City would like to incorporate into the contracted planning process and final plan update
- Identify data and mapping needs/requests (e.g., progress on previous comp plan, trends)
- Develop community/stakeholder outreach plan, including tools/schedule for providing project updates
- Develop project website and flyer – what, why, who, when, where
- Develop “Our Community” overview of key trends, issues and maps and other “meeting in a box” toolkit items

October 2018 – February 2019
- Community Visit #1 – Week of October 22nd, 2018
  - Meet with core group
    - Review all materials outlined above, including the schedule for future core group meetings
    - Conduct focus area working groups – use template that starts to set the stage for draft chapter development
    - Conduct other outreach – interviews, events, youth engagement, etc.
- Research, Analysis, Outreach, Early Plan Development – November through January
  - Work with core group and focus area working groups to develop draft “chapters” – this will include an early and aggressive consideration of priorities and implementation
  - Conduct other outreach activities
- Community Visit #2 – February 2019
Share draft plan direction – work with core group to identify best methods, including through existing meetings, community events, etc.

March – May 2019
- Develop full public review draft plan
- **Community Visit #3 – April 2019**
  - Review draft plan with core group
- Release draft for public comment – May 2019

May – August 2019
- 120-day comment period
- Additional outreach to the community (using “meeting in a box”) and visitors (simple surveys at bed and breakfasts, hotels, etc.)

September – October 2019
- Summarize comments and team recommendations for plan revision with core group
- **Community Visit #4 – September 2019**
  - Meet with core group to review recommended revisions and to strategize support for the plan during upcoming PC and City Council meetings
- Revise and finalize the draft based on comments, including input during public hearings with PC and City Council – October 31, 2019
Thank you for taking the time to contribute as a member of the Cordova Comprehensive Plan Committee. The committee is intended to be a broadly representative group that will act as a sounding board and creative problem solvers throughout the planning process. Below, the project team has outlined some of the roles and responsibilities of committee members.

**Project Team Roles and Responsibilities**

The project team appreciates your willingness to volunteer and will run working committee meetings efficiently, provide timely information, and be reasonable in our requests for assistance.

**Committee Roles and Responsibilities**

**Balance personal and community-wide interests.**
- Provide input that represents personal views, and to equally consider the interests of the community.
- Seek to identify areas of agreement and common ground solutions that serve the needs of all parties with a stake in the future of the region.
- Compromise when necessary.
- Work with other committee members to help shape a Cordova Comprehensive Plan that individual members and the whole committee can actively support.

**Support the process.**
- Devote the time, study and thought necessary to understand and carry out committee’s responsibilities.
- Attend meetings whenever possible. Committee members should be prepared to meet monthly throughout the project.

**Assist with engagement and outreach.**
- On an ongoing and informal basis, keep family, friends, neighbors and colleagues informed about the process and key outcomes.
- Encourage others to participate at various stages of the process when appropriate.
- Provide feedback on public participation tools and process.
- Support recruitment, engagement and outreach efforts.
- Participate in interviews and attend community meetings.
- Encourage others to offer feedback on draft materials.

**Work productively with other committee members, city staff, and other community members, even when experiences and opinions may differ.**
- Listen and be open to new ideas.
- Stay on topic and keep comments specific.
- Be respectful and polite.
- Be positive and focus on being problem solvers.
- The committee will help shape and clarify the comprehensive plan goals and strategies and should be prepared to meet monthly throughout the project.

**Help with plan approval.**
- Provide input at meetings and during the Planning Commission and City Council review and approval process.
- Provide a resolution recommending adoption of the final comprehensive plan document.

RE: Letter of Collaboration – Alaska Mariculture Initiative – Phase 2

Dear Mrs. Decker,  

November 5th, 2018

I am writing to confirm the collaboration of the City of Cordova (City) with the Alaska Fisheries Development Foundation (AFDF) on the project titled – Alaska Mariculture Initiative (AMI) – Phase 2, which will be submitted to NOAA’s Saltonstall-Kennedy (S-K) Grant Program. The City of Cordova has identified waterfront comprehensive planning and upgrades to support opportunities for fisheries diversification including aquaculture and mariculture as its #1 priority. By participating in this Phase 2 process, the City can leverage harbor expansion, uplands, and waterfront dock and moorage space into flexible designs that complement and foster the growth of aquaculture and mariculture in the Prince William Sound Region. As the 13th largest seafood port in the US by landed value, with approximately $1,000,000,000 in seasonally underutilized infrastructure, this is a local, state, and national opportunity to help balance seafood trade in the United States. As the second largest seafood consumer behind China, the U.S. now imports more than 90% of the seafood we consume, making it one of the top national trade imbalances. High quality mariculture and aquaculture production is a compelling opportunity for Cordova and its fishermen and processors to diversify and meet a growing global demand in a clean and sustainable fashion and help balance U.S. trade in this sector.

As a result of the Alaska Mariculture Initiative – Phase 1, the Alaska Mariculture Development Plan (Plan) was recently adopted by the state with a vision to “develop a viable and sustainable mariculture industry producing shellfish and aquatic plants for the long-term benefit of Alaska’s economy, environment, and communities” and a goal to “grow a $100 million mariculture industry in 20 years”.

The goal of this project, AMI - Phase 2, is to begin implementation of the Plan, which will provide economic, environmental, and cultural benefits to Alaskans. This goal will be accomplished through the following objectives:

1) Facilitate and support the work of the Alaska Mariculture Task Force, including enactment of a formal organizational structure to enable industry leadership and guide future development long-term;

2) Complete a statutory and regulatory review, recommend and support adoption of amendments or new laws/regs, including statutes to allow for shellfish enhancement and restoration;

602 Railroad Avenue  P.O. Box 1210  Cordova, Alaska 99574  Telephone (907) 424-6200  Fax (907) 424-6000
3) Development of hatchery capacity including development of long-term funding strategies, facilitation of tech training and transfer for hatchery staff, and facilitation of partnerships with aligned interests; and

4) Provide public education, training and outreach regarding mariculture siting, permitting and farming strategies.

The City of Cordova will specifically partner with AFDF on the objectives #1 and #2. In fact, regarding objective #1) the City has already taken proactive approaches by creating and appointing a fisheries development committee targeted at aquaculture, mariculture, and other fisheries diversification opportunities. This fisheries development committee has already engaged in task #2) where by diverse local interests including fishermen, processors, and shellfish farmers represented on the committee review and comment on policy and regulatory initiatives.

This collaboration will be an effective way to support the development of mariculture opportunities. These opportunities will enhance fishing community vitality in Alaska by providing economic diversification for fishermen and processors and coastal communities which aligns with their existing skills and capital assets (vessels and processing plants).

On behalf of the City of Cordova, I look forward to collaborating on this project.

Sincerely,

Clay Koplin, Mayor
City of Cordova

FOR IMMEDIATE RELEASE

Alaska Water and Wastewater Systems and Operators Honored

Wasilla, AK, November 6, 2018 – The Alaska Rural Water Association held its 20th Annual Training Conference from October 29 – November 1 at the Sheraton Anchorage Hotel in Anchorage. A highlight of this event is the recognition of rural water systems, wastewater systems, and their operators for outstanding achievements. Award winners for 2018 are:

**Water System of the Year – Over 1,000 Population: City of Craig**

Craig’s surface water treatment plants treat over 500,000 gallons of drinking water per day. Their treatment system includes corrosion control with pH adjustment, coagulation, flocculation, sedimentation process equipment, and granular filtration and chlorine disinfection. There are two primary water treatment operators certified at Level 2 and 3, and three backup operators. The operators are well trained and are called on to assist nearby communities with their water systems.

**Water System of the Year – Under 1,000 Population: City of Seldovia**

Seldovia, along with Village Safe Water commissioned the city’s new Level 2 surface water treatment plant. They have worked tirelessly to repair leaks in their water distribution system, and in the past two years have reduced their water demand by over half. With the new treatment plant and process, Seldovia has achieved full compliance with safe drinking water standards for its community.

**Wastewater System of the Year – Over 1,000 Population: City of Wasilla**

Wasilla operates a Level 2 wastewater treatment plant that treats over 100,000 gallons per day using pretreatment influent pumping, grit removal, microscreens, and secondary treatment using aerated lagoons, secondary clarifiers, sludge thickening and dewatering using evaporative drying beds, sludge stabilization and conditioning through aerobic digestion, and land applied sludge disposal. Their Class2 collection system has 895 connections and one main line lift station. Wasilla has six certified primary operators staying on top of all regulatory compliance requirements.
Wastewater System of the Year – Under 1,000 Population: *City of Klawock*

Klawock has a well-maintained Class 1 wastewater treatment plant that treats over 500,000 gallons per day. Wastewater treatment includes microscreens, primary clarifiers, sludge thickening, and dewatering using a decant tank and screw press with polymer. Sludge is stabilized with lime and disposed offsite. They keep an ongoing inventory of critical replacement parts, and their wastewater operator is certified to the level of treatment and has two backup operators.

**Water Operator of the Year – Over 1,000 Population: Russ Ferguson, City of Kotzebue**

Russ has achieved his personal two-year goals of passing all four Level 2 certification exams earning both wastewater Provisionals and Level 1 water treatment and distribution certifications at his own expense all while maintaining perfect attendance. His excellent mechanical and instrumentation/technical knowledge have proven valuable in keeping a very old plant operational. His consistent troubleshooting and repairing of equipment in the plant has saved the system money.

**Water Operator of the Year – Under 1,000 Population: Paul Walton Sr., Village of Noatak**

Paul has been a distribution and wastewater operator for 26 years. He stays on top of his preventative maintenance and takes real pride in ensuring safe drinking water and flush toilets for the community. Paul has been very quick to correct issues found from inspections and implementing upgrades such as three phase lift station pumps. He engages the community by doing such things as taking kids from the school who were participating in community service for a class and taught them the basics of making clean drinking water. Paul’s ongoing commitment and dedication creates the conditions for a healthy community and he is an outstanding water operation specialist.

**Wastewater Operator of the Year – Over 1,000 Population: Richard Klopp, City of Homer**

Richard has over 30 years of experience in both the public and private sectors, and has been the lead operator for over five years. In that time, he has made major improvements to the preventative maintenance program. These improvements have resulted in reduced cost in operations. It has also reduced emergency callouts for operators, reducing labor costs. Richard’s improved maintenance program includes smoke testing the collection system to identify and repair inflow and infiltration issues. His energy conservation efforts have resulted in over $50,000 in savings since 2015.
Wastewater Operator of the Year – Under 1,000 Population: Ben Eisen, Lower Kuskokwim School District

Ben operates several wastewater membrane plants involving complicated process control and UV disinfection, and monitors several wastewater systems using SCADA control systems. He has an outstanding preventative maintenance program and works with his remote operators to troubleshoot process upsets. Operating 12 water and 10 wastewater facilities throughout the school district, Ben ensures safe drinking water and sanitation.

Source Water System of the Year – Over 1,000 Population: City of Cordova

Cordova has a very tight control over their source water reservoirs, including proper signage and restrictive access. They have multiple collection surface sources that are closely managed for quality, and should serve as a model for other communities that use surface water for their drinking water systems.

Source Water System of the Year – Under 1,000 Population: Village of Chenega

Chenega has an active source water plan with realistic approaches and broad community support. They manage a 230-acre watershed, have determined and prioritized their system’s needs, and are currently working on full implementation of their adopted source water plan.

Water Taste Test Winner: City of Whittier

Attendees of the conference were asked to submit water samples from their systems to be judged in the annual water taste test competition. A total of ten samples were submitted this year and the winner, judged on clarity, taste, and odor by a three-judge panel, was the City of Whittier. As the 2018 Water Taste Test champion, Whittier will send another sample of their water in February to Washington, D.C., where it will represent the State of Alaska in the 2019 Great American Water Taste Test, a national competition.

SOURCE WATER PROTECTION SYSTEM OF THE YEAR

City of Cordova

In recognition of the city’s commitment to protecting their watershed both in land use efforts to protect their water source and community involvement.
Ordinance 1171 is before Council for second reading and it also will be the subject of the public hearing on November 21, 2018.

Staff offered Council several options for repayment of the permanent fund. Council amended the ordinance at first reading on October 17, 2018, to include repayment alternative B with a term of 7 years at 4% interest. That amendment is incorporated in the ordinance now in two places, in the title and in the “be it further ordained” paragraph.

This was set for public hearing and second reading at the November 7, 2018 Regular meeting but there were only five council members present and an ordinance such as this one, including a transfer of funds from the Permanent Fund, requires seven yes votes (either 7 yeses of council or 6 yeses of council as well as the Mayor). The ordinance was therefore, postponed until the next meeting of Council, which is tonight, November 21, 2018.

Attached here is also the original memo that accompanied the initial reading of this ordinance.

Suggested motion tonight is: “I move to adopt ordinance 1171.”

I. REQUEST OR ISSUE: Staff suggests the following motion: “I move to adopt Ordinance 1171”

II. BACKGROUND: The refuse enterprise fund currently pays $38,960 for a portion of a bond payment; the general fund pays the remaining $155,840 of that payment. The 2019 payment will be the final payment on that bond. To be fiscally responsible, to eliminate and refocus the City mechanics’ workload, to pay interest to the general reserve fund instead of another entity and to leave some funds in the refuse depreciation fund and replace the truck this fiscal year it would be best if the loan comes from the general reserve fund.

Staff recommends Option C with a down payment from the refuse depreciation fund of $40,000, 4% interest, and a 7 year pay off. Using the current depreciation funds for the 2019 payment removes the additional payment from the 2019 budget, in 2020 when the current bond payment is paid off the new payment can be budgeted. It also provides the interest to be paid to the permanent fund and will allow the refuse department to pay off the loan early if possible. Purchasing a new truck provides a warranty, Anchorage contacts and techs, and eliminates the unknown of used vehicles.

II. SUMMARY AND ALTERNATIVES: Ordinance 1171 should be amended if Alternative A is not the preferred option.

Alternative A:
- Take the entire purchase price, $269,492 from the Permanent Fund.

Alternative B:
- Borrow $269,492 from the Permanent Fund.
- First payment in 2020.
- 10 years. No interest. Payment would be: $26,949.20 per year.
- 10 years. 4% interest. Payment would be: $33,225.92 per year.
- 7 Years. No interest. Payment would be: $38,498.86 per year.
- 7 Years. 4% interest. Payment would be: $44,899.96 per year.
Alternative C:
- Borrow $229,492 from the Permanent Fund.
- Down payment upon purchase of $40,000 from the Refuse Depreciation Fund.
- 10 years. No interest. Payment would be: $22,949.20 per year.
- 10 years. 4% interest. Payment would be: $28,294.29 per year.
- 7 Years. No interest. Payment would be: $32,784.57 per year.
- 7 Years. 4% interest. Payment would be: $38,235.57 per year

Alternative D:
- Borrow $169,492 from the Permanent Fund.
- Down payment upon purchase of $100,000 from the Refuse Depreciation Fund.
- First Payment in 2020.
- 10 years. No interest. Payment would be: $16,949.20 per year.
- 10 years. 4% interest. Payment would be: $20,896.83 per year.
- 7 Years. No interest. Payment would be: $24,213.14 per year.
- 7 Years. 4% interest. Payment would be: $28,239.00 per year

Alternative E:
- Take no action which will mean continued use and maintenance of the 2001 Wittke truck.
CITY OF CORDOVA, ALASKA
ORDINANCE 1171

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CORDOVA, ALASKA, AUTHORIZING THE TRANSFER OF $269,000 FROM THE GENERAL RESERVE FUND (PERMANENT FUND) TO THE REFUSE ENTERPRISE FUND AS A LOAN FOR THE PURCHASE OF A REFUSE TRUCK AND STATING THE REPAYMENT TERMS FOR THE LOAN

WHEREAS, the City Council of the City of Cordova, Alaska, has adopted the City Budget and appropriated funds for FY18 for the period of January 1, 2018 to December 31, 2018; and

WHEREAS, additional inter fund transfers pursuant to this Ordinance are intended to provide a source of money to pay for additional budget appropriations as follows:

MEMORANDUM

TO: ALAN LANNING, CITY MANAGER
SUSAN BOURGEOIS, CITY CLERK

FROM: AUSTIN BARRON AND HOLLY WELLS

RE: FORECLOSURE ORDINANCE,
Cordova Hotel (2016 Taxes)

FILE NO.: 401,777.250

DATE: OCTOBER 31, 2018

(This memorandum pertains to the disposition of the real property commonly known as the Cordova Hotel, legally described as Original Townsite, Block 6 Lots 3 & 4 recorded in the Cordova Recording District and situated in the State of Alaska (Parcel No. 02-173-503) (the “Property”).)

As required by statute, in 2017, the City commenced a tax foreclosure action to collect delinquent real property taxes and associated penalties, interest and costs arising from unpaid real property taxes assessed against the Property for the 2016 tax year. A judgment and decree of foreclosure against the Property was granted July 24, 2018 and recorded July 26, 2017, commencing a one year redemption period that was terminated August 14, 2017. Thereafter, a Clerk’s Deed was obtained and recorded September 24, 2018, granting the City clear title to the Property subject to any outstanding IRS tax liens (several of which appear in the title report obtained by City personnel).

State law requires the City to determine by ordinance whether the Property will be retained for a public purpose. If the City determines by ordinance that there is no public purpose, state law authorizes the City to sell the property and retain the sale proceeds up to the amount of unpaid taxes, penalties, interest, and related costs of foreclosure or management of the property. Sale proceeds in excess of the amount the City may retain may be claimed by the former property owner.

Submitted with this memorandum is a draft ordinance finding no public purpose exists for the Property and on that basis authorizing and directing a sale of the Property, as authorized under state law.

AKB
CITY OF CORDOVA, ALASKA
ORDINANCE 1172

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CORDOVA, ALASKA,
(I) DECLARING THAT TAX-FORECLOSED PROPERTY COMMONLY KNOWN AS THE
CORDOVA HOTEL, LOCATED AT 604 1ST ST, CORDOVA, AK 99574 AND LEGALLY DESCRIBED
AS LOTS THREE (3) AND FOUR (4), BLOCK SIX (6), ORIGINAL TOWNSITE OF CORDOVA,
ALASKA, RECORDS OF THE CORDOVA RECORDING DISTRICT, THIRD JUDICIAL DISTRICT,
STATE OF ALASKA (PARCEL NO. 02-173-503), FORMERLY OWNED BY DORENE WICKHAM
AND DEEDED TO THE CITY BY CLERK’S DEED, IS NOT REQUIRED FOR A PUBLIC PURPOSE
AND (II) AUTHORIZING AND DIRECTING ITS SALE

WHEREAS, the City of Cordova (the “City”) received a deed (the “Deed”) from the Clerk of the Court
deeding to the City the Property defined below, which Property was formerly owned by Dorene Wickham; and

WHEREAS, on September 24, 2018, the City recorded the Deed in the real property records of the
Cordova Recording District as Document Number 2018-000301-0; and

WHEREAS, the City does not have an immediate public use for the Property; and

WHEREAS, the Property will not be needed or used by the City for a public purpose in the future and
therefore is considered surplus to the needs of the City; and

WHEREAS, the City Clerk has provided notice of the public hearing on this ordinance by certified
mail as required by AS 29.45.460(c).

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Cordova, Alaska that:

Section 1. Form: This is a non-code ordinance.

Section 2. The City-owned tax foreclosed property commonly known as the Cordova Hotel, located
at 604 1st St, Cordova, AK 99574 and legally described as

Lots Three (3) and Four (4), Block Six (6), Original Townsite of Cordova,
Alaska, records of the Cordova Recording District, Third Judicial District,
State of Alaska (Parcel No. 02-173-503, the “Property”)

is declared surplus. Staff is authorized and instructed to dispose of the Property in compliance with AS
29.45.460, AS 29.45.480 and Cordova City Code Title 5 Chapter 22. The date of sale shall be the date the
manager accepts an offer for the Property, and the Property shall be treated as sold at that time.

Section 3. This ordinance shall be effective thirty (30) days after its passage and publication. This
ordinance shall be enacted in accordance with Section 2.13 of the Charter of the City of Cordova, Alaska, and
published within ten (10) days after its passage.

1st reading: November 7, 2018

Dear Mayor Koplin,

I am writing this letter to show interest in continuing on the Library Board. I am currently working on a master’s Degree in Library Sciences with a focus in Archival Preservation. My life, business, and family are based in Recreation and we have a vested interest in the preservation of Cordova’s Historical Areas and in offering visitors and residents as many opportunities to experience what our community has to offer as possible. This includes the experiences that a healthy Library offers. I feel that the knowledge that I have gained from my life experiences and my continuing education can only help to continue to encourage the Board to advocate for the Literary well-being of Cordova.

Thank you for your consideration.

Sincerely,

Wendy Ranney
Good Morning Susan,

Dear Mayor Koplin,

I am writing this letter to show interest in continuing on the Parks & Recreation Commission. I have two Degrees from Penn State University, one in Forestry and one in Environmental Sciences with a minor in Recreation. I have memberships in the pool and Bidarki and my family participate in many programs offered by both. I also have a vested interest in the role that our Open Spaces and Recreational Opportunities serve in our community. I feel that my position as Chair of the Commission for the last three years has spoken for itself. We have monthly meetings and show a support system for the Parks & Recreation Staff. I would like to continue on the Commission so that I have the resources to help find more Grant opportunities that may be available to communities regarding Recreational Opportunities. Finally, my life, business, and family are based in Recreation and I feel that the knowledge that I have gained from that experience can only help to continue to encourage the Commission to advocate for Recreational opportunities for Cordova.

Thank you for your consideration.

Sincerely,
Wendy Ranney
To the Cordova City Council and Mayor Koplin:

I am interested in serving on the Parks and Recreation board. As an outdoor enthusiast and a longtime resident of Cordova, I feel I would be an asset to the board. I enjoy working in small group settings and brainstorming new ideas and troubleshooting problems or difficult situations to find common ground. I believe in fostering relationships between development and people by integrating development projects to include or enhance recreational activities to maintain quality of life. Living in an isolated and weather challenged community, the physical and mental health of Cordovans is paramount. Everyone deserves access to diverse recreation opportunities to fit their individual needs.

Thank you for your consideration.

Kirsti Jurica
To: Mayor of Cordova and City Council,

From: Jacob A. Betts

I would like to express my interest in retaining my seat on the Harbor Commission and to continue to serve the City of Cordova. I believe the Harbor Commission has made great strides towards improving infrastructure and planning for the future of the harbor and I would like the opportunity to see our goals through to fruition. Thank you for your consideration.

Respectfully,
