RESOLUTION OF THE CORDOVA SCHOOL DISTRICT
BOARD OF EDUCATION
Resolution No. 2019: 01

A RESOLUTION REGARDING A PROPOSAL FOR THE FORMATION OF A PRINCE WILLIAM SOUND BOROUGH AND THE INCLUSION OF THE CORDOVA SCHOOL DISTRICT AS A VESTED STAKEHOLDER IN ALL MEETINGS AND CONVERSATIONS ADDRESSING SUCH PROPOSAL

WHEREAS, Cordova School District (CSD) has been a nationally accredited school district within Prince William Sound since 1934; and

WHEREAS, Cordova School District has a long-established history of high achievement, performance, and innovation within the State of Alaska; and

WHEREAS, the District currently represents more than 350 students and 60 employees; and

WHEREAS, CSD is a locally governed district with unique challenges, needs, qualities, and characteristics; and

WHEREAS, the formation of a borough in Prince William Sound would inherently impact the overall decisions, programming, and operations of the Cordova School District and its students; and

WHEREAS, Cordova School District is a city school district that relies on local City contributions, state and federal grants, and a percentage of its federal impact aid for school funding; and

WHEREAS, if the Cordova School District is incorporated into a borough structure, AS 14.17.410 (G)(2) states that there would be a local required contribution of a 2.65 mill tax levy on the full and true value of the taxable real and personal property in the district to support schools, potentially reducing current school funding; and

WHEREAS, AS 14.14.060 allows for only one school district within a borough; and

WHEREAS, the formation of one school district within a proposed borough would reduce the number of locally elected school board seats in our community; and

WHEREAS, the loss of local voices representing our students would have a less than desirable impact on the education and well-being of our learners;

NOW, THEREFORE, BE IT RESOLVED, as the governing board responsible for ensuring a quality public education for each student in our community, the Cordova School District Board of Education is resolute to ensure that our district is offered a represented voice at any and all meetings and discussions regarding borough formation in Prince William Sound that include the City of Cordova.

Approved by the Cordova School District Board of Education on November 14, 2018

License #954 DBA Reluctant Fisherman Inn
October 16, 2018

Dear ABC Board;

The Reluctant Fisherman Inn, on the Cordova waterfront, overlooking the small boat harbor, has been the “go to” place for visitors and locals alike in Cordova for over 40 years. We continue the tradition, and have done major upgrades in the past 10 yrs. of our ownership. We offer 45 rooms to rent, some of which are available with a refrigerator and microwave, and two suites with either a full kitchen, or kitchenette. We also have a full service restaurant and bar. Alcohol is only permitted in the bar and restaurant area. We don’t provide room service or stock alcohol in any of the rooms.

We are proud of the fact that our employees are all full time residents of Cordova, and many are full time employees. We run advertisements in the area visitor guides, we participate fully in all of the promotional programs of the local Chamber of Commerce, and participate in State wide promotions as well (Tour Saver coupon book, Milepost, etc.).

The City of Cordova has built and completed a large building called the Cordova Center. It houses our new museum, library, conferencing rooms and auditorium. This new facility has allowed Cordova, for the first time, to host small conferences. Indeed, our hotel has benefited from this community addition. The Reluctant Fisherman Inn is one block away from the new building, and we are seeing higher demand for rooms and visitor amenities. Expansion of additional rooms and catering facility at the Reluctant Fisherman Inn is in the near future to meet that demand.

Sincerely,

(b) If the permanent residents residing outside of but within two miles of an incorporated city or an established village wish to protest the issuance, renewal, or transfer of a license within the city or village, they shall file with the board a petition meeting the requirements of AS 04.11.510(b)(3) requesting a public hearing within 30 days of the posting of notice required under AS 04.11.310, or by December 31 of the year application is made for renewal of a license. F. Communications by and Petitions from Visitors

1. Guest Speakers

2. Audience comments regarding agenda items

Kristin Carpenter spoke in favor of the increased line item for support for the chamber of commerce. She also spoke about her letter in the packet concerning the Polar Bear – she didn’t think that was the best place to have it located.

3. Chairpersons and Representatives of Boards and Commissions

CCMCA Board, President Kristin Carpenter spoke and mentioned there is still no audit completed, they keep asking for more information. The financials don’t look great, they are behind in billing and volumes have just been down this year.

Mayor Koplin asked if there were figures she could provide as far as the financials – she said looking at August financials there is about a $1.1 million gap. Burton asked about the lag time in billing - Carpenter said it’s all about the Electronic Health Records system – staff still getting up to speed on it. She said it is somewhat about our small volumes and our infrequencies of seeing the problems that lead to a longer time frame to develop the fixes required.

4. Student Council Representative Report – Olivia Carroll reported that: 1) there are new committees being formed on Student Council, the service committee is planning ways to give back to the community, schools and outside of Cordova as well; spirit committee is working on ideas to make events more spirited, especially homecoming. 2) Wednesday classes (3 periods of 100 minutes and an Advisory period) still receiving mixed reviews from students. Advisory is sort of about school connectivity for 7th through 11th graders and seniors are focusing that on college-prep, job-prep activities. 3) BIONIC is the school’s peer helper group and they are having a kindness week at the Elementary school next week (assembly there Monday then redecorating the bathrooms with inspirational quotes, etc.). Also, BIONIC members attended Lead On conference in Anchorage and came home with the ideas of community members assisting with “getting ready for prom” activities in an effort to stem “pre-gaming” which is drinking before prom. 4) Volleyball regionals is next week Nov 15-17, very excited to be fighting for a spot at state in their own hometown, hope that lots of fans will attend and support them.

He thanked Kristin Carpenter and a group of Cordovans working on a community foundation – great idea that can help citizens and businesses in the future with project and program funding, etc. Essentially like a permanent fund – big contributions being made across the state by Rasmussen Foundation and others – good economic driver to have in the community. Alaska Shellfish Growers Association will be meeting in Cordova in December – which is a great opportunity for the community.

12. Manager’s Report – City Manager Alan Lanning reported 1) he will be at AML all week next week – there are AML resolutions in the packet if any of Council members want to weigh in – let him know – also let him know if there is anyone in particular you want him to see/meet with while there. M/Allison S/Burton to postpone item 19 – Ordinance 1171 to the next meeting due to there are not a sufficient number of Council members present to approve it tonight.

M/Allison S/Guard to adopt Ordinance 1172 an ordinance of the City Council of the City of Cordova, Alaska, (I) declaring that tax-foreclosed property commonly known as the Cordova Hotel, located at 604 1st St, Cordova, AK 99574 and legally described as Lots three (3) and Four (4), Block Six (6), Original Townsite of Cordova, Alaska, records of the Cordova recording district, third judicial district, State of Alaska (parcel no. 02-173-503), formerly owned by Dorene Wickham and deeded to the City by Clerk’s Deed, is not required for a public purpose and (II) authorizing and directing its sale.

M. Unfinished Business

21. Council direction to staff regarding AK DoT&PF Tier I Harbor Grant bond & repayment options

M/Jones S/Allison to direct staff to provide the necessary documents to place 2 items on the ballot for the upcoming Cordova Regular Election of March 5, 2019: 1) a bond proposition for $5M for South Harbor renovations and 2) a
proposition to adopt an ordinance enacting a 0.5% (one half percent) local raw fish tax; and to direct staff to provide a resolution enacting the harbor and port fee increases as recommended by the Harbor Commission in its Resolution 10-18-01.

Jones said he has been pushing for replacing that harbor for a while, he thinks it is very important for the community. He also thinks with the budget constraints, it is important that the harbor users come up with a plan to pay for it themselves and this is what the Commission came up with. Allison said he thinks it will be very important for us to educate the public on this, so they are very clear on what they are voting on. He said if we vote yes on this then we need to make the effort to educate the people. Guard asked if there is a sunset on this for after bond is paid off. Jones opined that by the time this bond is paid off there will be another project needed - he thinks this is a case of increased taxes/rates being appropriate, especially for the actual user group that will benefit.

Vote on the motion: 5 yeas, 0 nays, 2 absent (Schaefer, Wiese). Motion was approved.

N. New & Miscellaneous Business

22. Discussion item about the Bears in Cordova summer/fall 2018

M/Allison S/Guard to refer this until the next meeting when all the parties can be invited, and the writer of the memo is here (James Wiese).

Vote on the motion: 5 yeas, 0 nays, 2 absent (Schaefer, Wiese). Motion was approved.

24. Pending Agenda, Calendar and Elected & Appointed Officials lists

November 21 - work session, public hearing and regular meeting. Boards and Commissions coming vacant - deadline for letters of interest November 13.

O. Audience Participation

Katrina Hoffman of 301 South Second Street - she thanked council for taking the chamber’s needs into account during budget discussions. Comparatively Sitka gives 92% of bed tax to chamber. Seward gives a percentage of bed tax and car rental tax. She hopes we can get to a place that we give a sustainable amount annually to our chamber.

Wendy Ranney of 2500 Orca Road and Orca Adventure Lodge also spoke in favor of the chamber and would like to see more of the bed tax given to the chamber.

Cathy Rehnfeld thanked Council for their consideration of Chamber funding during budget.

P. Council Comments

Burton thanked people for attending - he is interested in hearing more about the community foundation.

Meyer thanked people for giving council an audience, working on the budget is difficult - there seems to be a lot of chamber support. She is also interested to hear more about the community foundation.

Allison appreciated all the people who volunteer in the community. He also expressed appreciation and best wishes to Jon Stavig who has now retired.

Jones echoed the thanks. He appreciates the votes on the Harbor topic. He is glad to support the chamber. His vote on the garbage truck was because he’d prefer to see that be a budgeted item, not out of the permanent fund.

Q. Executive Session

25. see item 23.

M/Allison S/Meyer to go into an executive session to discuss matters the immediate knowledge of which would clearly have an adverse effect on the finances of the government, specifically a status report about self-funded health insurance, and to invite Kristin Carpenter from CCMCA Board to participate.

Vote on the motion: 5 yeas, 0 nays, 2 absent (Schaefer, Wiese). Motion was approved.

Mayor Koplin recessed the meeting with no objection at 7:57 pm. Council entered the executive session at 7:59 pm. Council re-entered open session at 8:16 pm. Mayor Koplin stated that no action was taken in the executive session.

R. Adjournment

Susan Bourgeois, CMC, City Clerk
Please be kind enough to forward copies to mayor and council. Somehow I don’t get their addresses from the site, thanks.

We had decided to sell (or...) the boat. To that end misc items to be done to make it once again a "stand alone" vessel. With us it had always worked in conjunction with other vessels. (e.g. one project was a partial repower thereof) Some time was so directed as well to normal maintenance. Photographic/listing,etc consulting..

Among the projects done was an upgrade on main anchor chain due to wear over time. Worst section was replaced with notably larger and unworn chain. One link failed/opened and is still in place on the anchor chain. Things seemingly went south from there.

I would note that the vessel survived well aside from some minor disruptions.

A problem with use of that site has been that, despite posting, the vessel is necessarily exposed to boarding by anyone that can use the mooring lines for access. It was particularly bad this past season and included vandalism beyond misc theft, parties and simple "tourism." The "office"/stateroom had paperwork dumped and hosed...lost. That has created a downstream difficulty chasing insurance. I believe we’ve located that elsewhere and so I expect that to finally progress.

Occasionally people have expressed interest in that site for "grid" work/moorage of larger vessels. A constraint is the conflict of multiple anchors and variations in tidal/weather wandering of adjacent vessels. Various improvements there could improve revenue there.

On the revenue item I would note that the Polar Bear may well have been the best deal ever for the city. Revenue from ocean dock use, raw fish tax, sales tax for fuel and misc supplies, some local employment, and most recently space rent on mud. Cost to the city pretty minimal.

Plan for the boat is to return for...limited time...on your terms.

City of Cordova Council
601 1st Street, PO Box 1210
Cordova, AK 99574

Dear Cordova City Council Members,

At the recent budget work session held on November 27, 2018, Barb Jewell and I read the provided handouts and listened with great interest the information Council being considered for the FY19 City Budget. Further, we noticed the City’s revenue and school contributions related to the receipt of Forest Receipts. As identified on Page 1 of 24, 2017 Prior year Actual shows a Forest Receipt contribution to schools in the amount of $15,076.33, while 2018 Current year Budget shows $0.00. Looking forward, the sheet shows the 2019 Future year Proposed Budget contribution from Forest Receipts as $580,000.00.

The District’s understanding is that with the reallocation of the federal Forest Receipts program in Spring 2018, the City received (or anticipates receiving) funds for the fiscal years 2017 and 2018. As the Council proceeds with budget discussions for the FY19 year, we would like to know:

- Has the City received Forest Receipt funds as of yet? If not, when does it anticipate receiving these federal funds? If the City has received these funds, how much, specifically, is the revenue?

As federally intended, we strongly encourage the City to specifically allocate Forest Receipts funds, in addition to the City’s proposed contribution, in order to meet the growing needs of the students in the District and fully fund our request.

We look forward to the opportunity to discuss our budget request in detail with you as you move forward with the City’s FY19 budget.

Respectfully submitted for your consideration,

Barb Jewell, CSD School Board President

NEXT STEP: Majority voice vote

_____ ORDINANCE  _____ MOTION  ______ RESOLUTION  _____ INFORMATION

I. REQUEST OR ISSUE: Approval of resolutions placing 2 propositions on the ballot for the Regular City Election on March 5, 2019.

III. FISCAL IMPACTS: The $5M in debt that the City would incur is very specifically laid out in the resolutions and ballot language to be debt of the Harbor Enterprise Fund with very specific means to fund the debt.

IV. BACKGROUND INFORMATION: City Staff (Harbormaster and Acting Public Works Director) researched and reported to both the Harbor Commission and then Council on the City’s ability to attain a Tier I Harbor Grant from the State and the means to pay the bond payments if the City bonds for the $5M match that is required for a $10M project. The Harbor Commission took the lead and made recommendations to the City Council. Passage of these 2 resolutions are required steps in the process. City Council has heard the reports, has listened to City staff and to the Harbor Commission recommendation and is now at this required step to place these ballot propositions before the voters for approval.

V. LEGAL ISSUES: The City Attorney has written these resolutions to incorporate charter, code, statute and federal tax regulations.
VII. **SUMMARY AND ALTERNATIVES:** Council can approve the resolutions or direct staff otherwise, knowing that there is a tight deadline to include ballot propositions on the Regular City Election ballot in March 2019, which would avoid the necessity and the added expense of a Special Election for these matters.

AGENDA ITEM 14
City Council Meeting Date: 12/5/18
CITY COUNCIL COMMUNICATION FORM

FROM: Planning and Harbor Staff
DATE: 11/14/18
ITEM: Harbor Fee Increases
NEXT STEP: Pass Resolution 12-18-32

___ ORDINANCE X RESOLUTION 
___ MOTION ___ INFORMATION

I. REQUEST OR ISSUE: At the 11/7/18 Regular City Council meeting, City staff was given direction to bring forward the 2019 fees and rates for the Harbor, ballot language for a $5 million bond and ballot language for a 0.5% local raw fish tax. The proposed 2019 Harbor fees and rates see mostly 5% and 10% increases and a new calculation for wharfage as a per gallon instead of a per barrel rate. These increases and change along with the proposed fish tax will generate the needed revenue for the enterprise fund to make bond payments. Attached is the resolution for the 2019 harbor fees.

Suggested motion is: I move to approve Resolution 12-18-32

III. FISCAL IMPACTS: The fee and rate increases are being put into place in order to provide revenue for a portion of the bond repayment. If the bond does not pass fee and rate increases will remain in effect as a means to supplement the Harbor Department’s depreciation fund for future repairs and maintenance of the harbor.

IV. BACKGROUND INFORMATION:
6/20/18 - City Council Regular Meeting - Power Point presentation by staff on differences between Tier I and Tier II Grants

10/10/18 - Harbor Commission Regular Meeting - Power Point presentation on Tier 1 Harbor Facility Grant (match and repayment options)
10/17/18 - City Council Regular Meeting - Power Point presentation on Tier 1 Harbor Facility Grant (match and repayment options)

10/23/18 - Harbor Commission Work Session – Revenue options for repayment of bond were further discussed

10/29/18 – Harbor Commission Special Meeting – Approval of Harbor Commission Resolution 10-18-01 – the following action occurred:

**New Business:**

*Resolution 10-18-01 (Voice Vote)*

A Resolution of the Harbor Commission of the City of Cordova, Alaska, recommending that Cordova’s City Council place the question of a bond in the amount of $5 million for state harbor matching grant and a .5% local raw fish tax before the voters at the next regular election and that Cordova’s City Council approve Harbor fee increases of 10% on annual slips, 5% on all other fees and a 3 cents per gallon fuel oil wharfage fee to generate the revenue in the Harbor Enterprise Fund necessary for annual bond payments.

_Motion to approve resolution as written/ Wiese, Second/ Craig_

Wiese- 10% fee increase in annual moorage seems high.
Craig- Resolution looks like what was discussed in the last meeting. (10/23/18 work session)

_Upon Voice Vote Resolution Passes_

_Yea - Wiese_

_Yea - Betts_

_Yea - Craig_

_Absent- Babic, Jones_

The Harbor Commission arrived at the following combination of repayment options as were evaluated and discussed in their previous 3 meetings.

- See this NOAA/NMFS website titled “total commercial fishery landings at individual US ports for all years since 1980”. Staff used the 2016 figure of 35 million pounds landed in Cordova which equated to $38 million of value. A 0.5% local raw fish tax on $38 million equals revenue of **$190,000**. Notice this is a conservative estimate because the dollar value landed in 2016 in Cordova was the lowest of the preceding 7 years.
- A 5% increase on all other Port and Harbor rates generates approximately **$25,000** per year.
- $.03 per gallon fuel oil wharfage fee generates approximately **$169,000** per year.
- A 10% increase to annual slip rates generates approximately **$100,000** per year.

The total potential revenue from these 4 recommended items is **$484,000** per year.

Future bond interest rates are unknown, so the Harbor Commission decided to take a conservative approach and wanted to generate revenue to the enterprise fund in an amount well-above the estimated payment amount. If any additional revenue is received beyond the amount of the bond payment the Commission recommends it go into the Harbor Depreciation Fund to support the remaining repairs.
needed in the South Harbor, continued maintenance and to save for any future major repairs and projects.

Latest **estimated bond rate** and repayment amount:

$5 million bond, 20-year term at 4.5% interest = **$384,380** annual payment

Attached is the Harbor Commission Resolution 10-18-01 recommending that the City Council take the appropriate actions regarding the bond proposition, the raw fish tax proposition and the fee resolution recommendations.

11/7/18- Regular City Council Meeting the following occurred
City Council directed staff to provide a resolution to put a $5 million bond and a .5% fish tax on the 2019 ballot, and a resolution for the harbor fee increases.

V. LEGAL ISSUES: None

VI. SUMMARY AND ALTERNATIVES: Staff believes that passing this resolution now, rather than waiting for the regular fee schedule will provide clarity on the repayment options, it will also allow the City Council, Harbor Commission and City staff to communicate how the grant, bond, fish tax, and fee increases work together when educating the public about the bond propositions that will be before them in March.
