I. REQUEST OR ISSUE: Council annually approves this resolution which allows for a 3 way split of the shared portion of FMA 15 PWS between Whittier/Cordova/Valdez.

II. RECOMMENDED ACTION: Approval of the consent calendar including: motion to approve resolution 12-17-34.

III. FISCAL IMPACTS: Business tax of $69,433.19 is the amount, per the letter and attachment from DCCED, to be divided equally among the 3 communities in FMA #15. Approval of the resolution garners Cordova $23,144.40.

IV. BACKGROUND INFORMATION: Several years ago the Clerk’s office spent considerable time in conversations with the other 2 communities and with the state to determine if a different alternative allocation method would be amenable. In the end, Cordova, Valdez and Whittier decided that the three way split was the best method.

V. LEGAL ISSUES: none
VI. **CONFLICTS OR ENVIRONMENTAL ISSUES:** A conflict could arise between Cordova and the other two communities if we persisted in attempting to allocate the FMA # 15 funding in an alternative method different from the customary 3 way split. In an attempt to remain neighborly, we should abandon further research and attempts to gain a larger share than the customary one-third.

VII. **SUMMARY AND ALTERNATIVES:** Council could direct staff to proceed with the long form and/or proceed with negotiations with the other 2 communities for a different split. With only $69,433.19 being allocated to FMA15 this year, the best possible outcome for Cordova using one of the three scenarios I worked up for a different alternate split is a gain of $4,943.65. Also, if staff were directed to proceed with the long-form that would compel Valdez and Whittier to also complete the long form. Population plays a great role in any alternate split and Valdez’ population is 4,011 to our 2,386.
CITY OF CORDOVA, ALASKA
RESOLUTION 12-17-34

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORDOVA, ALASKA
ADOPTING AN ALTERNATIVE ALLOCATION METHOD FOR THE FY18
SHARED FISHERIES BUSINESS TAX PROGRAM AND CERTIFYING THAT THIS
ALLOCATION METHOD FAIRLY REPRESENTS THE DISTRIBUTION OF
SIGNIFICANT EFFECTS OF FISHERIES BUSINESS ACTIVITY IN FMA 15: PRINCE
WILLIAM SOUND

WHEREAS, AS 29.60.450 requires that for a municipality to participate in the FY18 Shared
Fisheries Business Tax Program, the municipality must demonstrate to the Department of Commerce,
Community, and Economic Development (DCCED) that the municipality suffered significant effects
during calendar year 2016 from fisheries business activities; and

WHEREAS, 3 AAC 134.060 provides for the allocation of available program funding to eligible
municipalities located within fisheries management areas specified by DCCED; and

WHEREAS, 3 AAC 134.070 provides for the use, at the discretion of DCCED, of alternative
allocation methods which may be used within fisheries management areas if all eligible municipalities
within the area agree to use the method, and the method incorporates some measure of relative significant
effect of fisheries business activity on the respective municipalities in the area; and

WHEREAS, the Cordova City Council proposes to use an alternative allocation method for
allocation of FY18 funding available within the Prince William Sound Management Area in agreement
with all other municipalities in this area participating in the FY18 Shared Fisheries Business Tax
Program.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Cordova,
Alaska, by this resolution certifies that the following alternative allocation method fairly represents the
distribution of significant effects during 2016 of fisheries business activity in the Prince William Sound
Management Area.

ALTERNATIVE ALLOCATION METHOD: All eligible communities in the Prince William
Sound Fisheries Management Area (Whittier, Valdez, and Cordova) will receive an equal share of the
available funds.

PASSED AND APPROVED THIS 20th DAY OF DECEMBER, 2017

ATTEST:

Susan Bourgeois, CMC, City Clerk
November 13, 2017

Dear Municipal Official:

The Department of Commerce, Community, and Economic Development is pleased to announce availability of the FFY 2018 Shared Fisheries Business Tax Program. The purpose of the program is to allocate a share of state fish tax collected outside municipal boundaries with municipalities that have been affected by fishing industry activities. Municipalities around the state will share approximately $1.6 million based on 2016 fisheries activity as reported by fish processors on their fish tax returns. Details of how the program works are included in the application under Program Description.

Historically, your municipality along with the other communities in your fisheries management area (FMA) has filed using the alternative method. I have attached a separate sheet that details the communities that are in your FMA, as well as the anticipated payment based on your agreed upon allocation method from last year. If this agreement is still in place with your FMA, you will only need to have your Council/Assembly pass the enclosed alternative method sample resolution in order to participate in the program.

If your FMA intends to change the alternative method of allocation, the new proposal must be submitted to our office no later than January 15, 2018. If an agreement cannot be made with all communities in your FMA, you will need to file using the standard method and claim your significant effects. Instructions on both of these methods are detailed in the application packet.

DEADLINE FOR SUBMISSION OF COMPLETED APPLICATION IS FEBRUARY 15, 2018.

Applications can be scanned and emailed to caa@alaska.gov with the subject line “Municipality Name, FY18, SFBT.” If you have any questions about the program or require assistance in completing the application, please contact me at kimberly.phillips@alaska.gov or call (907) 451-2718.

Sincerely,

Kimberly Phillips

City Council Public Hearing

Cordova Center Community Rooms A & B  
Minutes

A. Call to order

Mayor Clay Koplin called the Council public hearing to order at 6:45 pm on December 6, 2017, in the Cordova Center Community Rooms.

B. Roll call

Present for roll call were Mayor Koplin and Council members David Allison and James Wiese. Council members James Burton and Jeff Guard were present via teleconference. Council members Ken Jones and Robert Beedle were absent. Also present were Student Council representative Olivia Carroll, City Manager Alan Lanning and City Clerk Susan Bourgeois.

C. Public hearing

1. Resolution 12-17-30 a resolution of the City Council of the City of Cordova, Alaska, adopting an operating and capital budget for fiscal year 2018 and appropriating the amount of $14,843,032 as summarized pursuant to the following table
2. Resolution 12-17-31 a resolution of the City Council of the City of Cordova, Alaska adopting service fees, rates and charges for the 2018 calendar budget

Mayor Koplin opened the hearing up for public testimony on Resolutions 12-17-30 and 12-17-31.

Alex Russin of 209 South Second Street and Superintendent of Schools, acknowledged and appreciated the allocation to the schools in the proposed 2018 budget at $1.5 million. He said that once the school district gets into their budget, they may have to come ask for more from Council; they have moving targets, and variables in constructing their budget. He said they will be specific if they have asks later on. Mayor Koplin mentioned Capital needs and a consolidated effort in Juneau. Russin said the gym floor is a concern and he has spoken with Lanning about that and has received support in troubleshooting ideas etc.

Barb Jewell, Cordova School Board, added to Superintendent’s comments that she often hears about how Cordova schools are funded well above the minimum - she realizes that and said they are appreciative of that and are able to brag about that at the legislature and at state conferences, etc. She wants everyone to also realize that Cordova’s Schools provide services and supports that are well above the minimum and the goal is to continue in that vain.

Greg Meyer One Cannery Row commented on the Motor Fuel Tax that has been approved ahead of the 2018 budget, which he supported. He found out that Kodiak has a 21 cent motor fuel tax, Anchorage just instituted a 10 cent one.

D. Adjournment

Mayor Koplin adjourned the hearing at 6:57 pm

He said Katrina Hoffman approached him at the bazaar this weekend and asked if there were any questions he had for her about their proposal. He did not have questions. He felt he should disclose that in case someone saw them speaking. Council member Wiese said the same conversation occurred between himself and Katrina Hoffman – no extra information was given though. Council member Guard said he received an email from Katrina Hoffman but he did not open it or read the email – the subject line was asking if there were questions. Approximately $1.5 million ahead of where we thought we’d be at this time.

4. Student Council Representative Report - Olivia Carroll reported on the following: the gym floor is a big concern to students at school and it needs to be fixed; science is important at school and the PWSSC is integral to that - real hands on learning and a great asset to Cordova; the music department thanked everyone who attended the concert and supports them, it is appreciated; wrestlers travel to regionals tomorrow we wish them luck and the robotics team travels to their state qualifier this weekend.

Wiese said we spent a lot of time on this, he is ready to approve. Allison said the only thing he wanted to point out is that the refuse department was not really delved into because not long ago we discussed it needing $1,000,000 over the next ten years and we didn’t budget for that at all.

Mayor’s Report  
12/14/2017  
Clay Koplin

Last week I attended the board of fish in Valdez, and was impressed with the quality and quantity of testimony from commercial fishing families in Prince William Sound. I was also impressed by the showing from Cordova based organizations including CDFU, PWSAC, NVE, the Cordova Advisory Council, and the City of Cordova.

This past weekend and first part of this week were largely spent with the Sandia, Pacific Northwest, and Idaho National Laboratories and partners from New Mexico, Washington State, Florida State Universities, Alaska Center for Energy and Power, Alaska Village Electric Cooperative, Siemens Corporation, and Cordova Electric Cooperative meeting to kick off the $6.2M Department of Energy grid modernization grant for modernizing the Cordova grid. This is an exciting project that will, we hope, move the needle for grid technologies and make the Cordova grid more fuel efficient, reliable, and flexible in the process. The City is supporting partner, but not required to provide a financial or staff contribution to the project. CEC is providing a $1.5M match over the three years of the project to implement the fuel efficiency, savings, and grid modernization with technical support and software and hardware contributions from the grant.

I facilitated the performance evaluations of the City Manager and City Clerk and included the final products, reviewed by the City attorney and prepared as directed by City Council, in this December 20th regular meeting agenda.

I have worked with various businesses and citizens on issues ranging from marijuana sales, motor fuel tax, department of transportation projects, and development of a Cordova community foundation over the past two weeks.

Please drive carefully and watch for pedestrians as the combination of low daylight hours, rainy mist and bare, low-reflective streets makes it more difficult to see when driving.

Respectfully,

Mayor Clay

RE: THE MARIJUANA ESTABLISHMENT STATE OF ALASKA LICENSE APPLICATION REVIEW PROCESS

CLIENT: CORDOVA

FILE NO.: 248

DATE: DECEMBER 13, 2017

ATTORNEY-CLIENT PRIVILEGED INFORMATION

I. INTRODUCTION

City Manager Alan Lanning recently requested a draft ordinance to present to City Council that adopts local regulations for marijuana facilities that permit the commercial marijuana industry to operate in the City of Cordova (“City”) in a manner that best serves the needs and interests of the City, its residents, and visitors. To this end, we worked with City Manager Lanning and the Planning Department to draft Ordinance #1162.

Numerous communities within Alaska and in other jurisdictions now permit marijuana establishments so long as those establishments are in compliance with all State and local laws. Many Alaskan communities permit the industry to operate within that municipality’s boundaries while imposing local limitations, excise taxes, sales taxes, license requirements, and associated fees upon industry participants. While Ordinance #1162 provides the City with effective marijuana regulations, City Council must always remember that the use, sale, manufacturing, and cultivation of marijuana and marijuana products remains unlawful under federal law and thus there is always risk associated with permitting and regulating the commercial marijuana industry rather than simply prohibiting it.

Given the City’s lack of participation in the industry at this time, it is difficult for Cordova to gage the nature of the potential commercial marijuana market in the City and its associated risks, challenges, revenue potential, and social consequences. For this reason, Ordinance #1162 provides a broader regulation approach that permits the City to observe the nature of its commercial marijuana market before delving into more extensive limitations, restrictions or taxation efforts. Once the industry has been operating within the
City, I recommend the City revisit its regulations to ensure they are closely tailored to serve the City’s interests.

II. DISCUSSION

Ordinance #1162 has several important components that Council should understand prior to its adoption. The components include:

1. The City Council’s role and responsibilities as the “Local Regulatory Authority”
2. The Scope and Intent of CMC 8.40
3. The General Regulations Regarding Marijuana and the Reasons Behind them
4. The Conditional Use Permitting Process for Marijuana Establishments

Each of these components is discussed in turn.

A. The City Council’s role and responsibilities as the “Local Regulatory Authority”

Ordinance #1162 repeals and reenacts CMC 8.40 “Marijuana Regulation” to remove the temporary prohibition of marijuana establishments within the City and to regulate such establishments. It also clarifies the role of City Council as the “Local Regulatory Authority” and establishes a Council review process for State marijuana establishment license applications, renewals and drafts. See Proposed CMC 8.40.020 and CMC 8.40.025.

These additions are important as they provide City Council with the authority to review a State marijuana establishment license, renewal or transfer prior to its approval by the State and to protest such licenses, renewals, and transfers. A protest that is reasonable and not arbitrary or capricious by the City bars a license applicant from approval. Specifically, State regulations currently prevent the State from approving a license application, renewal or transfer if the City protests such action within 60 days of receiving the application for review from the State and that protest is not based on arbitrary, capricious or unreasonable reasons.

B. The Scope and Intent of CMC 8.40

In addition to the review process outlined in proposed CMC 8.40.025, Ordinance #1162 adds a more comprehensive scope and intent section to CMC 8.40. The reason for these sections is to make every effort to protect the City against a challenge by federal law enforcement in the event that a change of policy of direction occurs. While the federal government has never outright sanctioned state and local laws permitting commercial marijuana establishments, former Deputy Attorney General Cole did issue a memorandum in 2013 that itemized the federal government’s “enforcement priorities” in the marijuana arena and recognized that the federal government enforcement efforts would focus on those priorities. This memo, often referred to as the “Cole Memo” is often relied upon by states and municipalities in creating regulations that are mindful of the Cole
Memo priorities. These priorities have been codified in proposed CMC 8.40.015 so that both the current and future Councils and City administrations are fully aware of these priorities and consider them when reviewing the State license applications and any conditional use permit application.

Similarly, CMC 8.40.010 includes a provision that is designed to protect the City from any claims for economic loss or hardship that may arise in the event that the commercial marijuana industry is “shut down” by the federal government or even changes to State law. The commercial marijuana industry is a high risk industry and its participants are generally aware of such risks. However, codifying the City’s lack of responsibility for the consequences of engaging in this industry provides an extra layer of protection to the City.

C. The General Regulations Regarding Marijuana and the Reasons Behind Them

In addition to the expanded scope and intent sections of Ordinance #1162, it also provides a more comprehensive framework for regulating Cordova’s commercial marijuana industry. Instead of adopting local regulations that deviate from State regulations, CMC 8.40 primarily incorporates State statutory and regulatory requirements and ensures that all marijuana establishments operating within the City fully comply with the State marijuana establishment licensing requirements. Proposes CMC 8.40 also ensures that there is a penalty associated with violation of City law and that applicants pay for any costs incurred by the City or associated with any permits for which applicants apply.

While this approach may seem broad, the State of Alaska licensing requirements include but are not limited to advertising, signage, packaging, odor, security, waste disposal, sanitation, and numerous other requirements that the State takes responsibility for enforcing. In light of the State’s comprehensive licensing procedures, Ordinance #1162 attempts to avoid the adoption, and thus the corresponding costs of inspection and enforcement, of local regulations that merely mirror State regulations.

Further, the commercial marijuana industry in Alaska is constantly changing as the State legislature and Marijuana Control Board (“MCB”) amend and repeal laws in reaction to the needs of the Industry and the interests of State residents and visitors. There are numerous regulations currently pending that could potentially impact a future commercial marijuana industry in Cordova, with at least nine amendments to the regulations proposed this summer alone.

The numerous amendments this last summer alone, exemplifies the need to adopt regulations that are fluid enough to accommodate changes in State law without requiring immediate knowledge/reaction to such laws by City staff. If Council determines it’s in the City’s best interest to invest time, money, and human resources in the adoption, enforcement, and compliance with local regulations.

The Conditional Use Permitting Process for Marijuana Establishments
Ordinance #1162 requires a conditional use permit for marijuana establishments to operate within the City and affords the City Planner discretion in obtaining the information needed for the permit application. The conditional use permit process ensures the City retains flexibility and discretion to deny or conditionally approve marijuana establishments within the City based upon the impact an individual establishment will have within the City and not just compliance with State law.

The conditional use permit process proposed in Ordinance #1162 does impose some additional requirements on applicants but each of these requirements are designed to address specific or unique challenges that have not been addressed by the legislature or MCB. CMC 18.60.080 1 requires applicants to demonstrate to the Planning Commission a land owner’s knowledge and consent that his, her or its property will be used as a marijuana establishment. The section also makes a conditional use permit conditional upon state licensing. Where a permit is granted but a state license revoked, the conditional use permit will also be revoked.

Additionally, the Ordinance requires a buffer zone of 1,000 instead of the State mandated 500 feet between a marijuana establishment and an elementary or secondary school. This increased buffer zone is proposed because the federal drug free zones are set at 1000 feet and the City’s failure to preserve and enforce the federal “Drug Free Zone” jeopardizes the City’s ability to secure federal funding in the future. Many other communities have codified an increased buffer with schools for this reason.

Although there are benefits to the conditional use permitting process, there also may be risks with the discretionary review process necessarily triggered by the conditional uses permit approval process. Consequently, I encourage Council, Planning commission and City Administration to apply the same pragmatic approach to the conditional use permit process regarding a marijuana establishment as any other industry.

III. CONCLUSION

The above is intended only as a general overview of the most substantial changes to Ordinance #1162. I recommend a work session or additional meetings, as needed, to ensure all Council members fully understand the risks and potential benefits associated with local regulation of the marijuana industry.

18.60 – Conditional Use Permits

18.60.010 – Purpose.

It is recognized that there are some uses and associated structures which may be compatible with designated principal uses in specific zoning districts provided certain conditions are met. The conditional use permit procedure is intended to allow flexibility in the consideration of the proposed use on surrounding property if the proposed use is in harmony with the various elements or objectives of the comprehensive city plan and the zoning district. The conditional use permit process provides the opportunity to apply conditions of controls and safeguards to ensure that the proposed use will be compatible with the surroundings.

18.60.020 – Applications.

Applications for a conditional use permit shall be filed with the city planner.
A. The application shall include but is not limited to the following:

1. Name and address of the applicant;
2. If applicant is not the owner of the subject lot, the owner’s signed authorization granting applicant the authority to (a) apply for the conditional use permit and (b) bind the owner to the terms of the conditional use permit, if granted;
3. A legal description of the property involved;
4. A narrative description of the proposed use;
5. A proposed time frame for the new use and/or the period of construction;

9. Any additional information required by the Municipal Code; and
10. Any additional information the city planner may require to determine whether the application satisfies the criteria for issuance of a permit.

B. Prior to granting a conditional use permit, the planning and zoning commission must determine that the proposed use meets all of the following review criteria:

1. The use is consistent with the purpose of this chapter and is compatible with the zoning district and the comprehensive plan;
2. The use will not permanently or substantially injure the lawful use of neighboring properties;
3. Public services and facilities are adequate to serve the proposed use;

5. The proposed use will not adversely affect to the public’s safety, health, or general welfare.

D. The commission shall cause to be sent to each owner of property within a distance of three hundred feet of the exterior boundary of the lot or parcel of land described in such application notice of the time and place of hearing and a description of the property involved. F. The planning and zoning commission shall hear and consider evidence and facts from any person at any public hearing or written communication from any person relative to the matter. The right of any person to present evidence shall not be denied for the reason that any such person was not required to be informed of such public hearing.

G. Within thirty days from the conclusion of the public hearing, the planning and zoning commission shall render its decision unless such time limit be extended by common consent and agreement signed by both applicant and the commission. If, in the opinion of the commission, the necessary facts and conditions set forth in this chapter apply in fact to the property or use referred to, it may grant the conditional use permit. If, however, such facts and conditions do not prevail nor apply the commission shall deny the application.

H. The commission, in granting approval, may establish conditions under which a lot or parcel of land may be used or a building constructed or altered; make requirements as to architecture, height of building or structure open spaces or parking areas; require conditions of operation of any enterprise; or may make any other condition, requirements or safeguards that it may consider necessary to prevent damage or prejudice to adjacent properties or detriment to the city. When necessary, the commission may require guarantees in such form as deemed proper under the circumstances to ensure that the conditions designed will be complied with.

I. The decision of the planning and zoning commission, either for the granting with or without conditions, or the denial of an application, shall become final and effective ten days following such decision.

J. Any aggrieved person or party may appeal the planning and zoning commission decision following the protocol in 18.64.030.

P. A conditional use permit is not transferable from one (1) parcel of land to another. Conditional use permits may be transferred from one (1) owner to another for the same use, but if there is a change in use on the property, a new permit must be obtained.

18.60.030 – Conditional uses.

The city planning and zoning commission may grant the following uses by conditional use permit in any district unless otherwise specified. minimize the visual impact on the surrounding area while allowing the 
telecommunication tower to function in accordance with minimum standards imposed by 
the applicable telecommunications regulations and the applicant's technical design 
requirements. Telecommunication towers and attached antennas and equipment must be 
painted or coated in a color that blends with the surrounding environment. Muted colors,
earth tones, and subdued hues, such as gray, shall be used. All associated structures such as equipment buildings, including the roofs, shall be painted with earth tone colors unless otherwise required under this code or other applicable law. Where necessary to make a telecommunication tower compatible with the historical, environmental or cultural character of its location, the planning and zoning commission may require that the telecommunication tower be disguised, hidden or screened, or integrated as an architectural feature of a structure, to reduce its visual impact.

2. Inability to Collocate. It is not feasible to locate the applicant's telecommunication antenna and other equipment on any existing structure or tower under the control of the applicant.

3. Location in a Residential Zoning District. An applicant seeking to locate a telecommunication tower in a residential zoning district must show that the area cannot be adequately served by a telecommunication tower located in a nonresidential zoning district for valid technical reasons.

4. Location on Public Property or Other Private Property. If the applicant proposes to acquire a site on private property for the telecommunication tower, the applicant must show that no available publicly owned site or available privately owned site occupied by a compatible use is suitable under applicable communications regulations and the applicant's technical design requirements.

5. Design for Future Use. A new telecommunication tower shall be designed to allow collocation of telecommunication antennas equal in number to the applicant's present and reasonably foreseeable future requirements.

6. Safety Code Met. The telecommunication tower meets all applicable laws and code requirements, including without limitation health, nuisance, noise, fire, building and safety code requirements.

7. Distance from Existing Telecommunication Towers. A telecommunications tower shall not be approved if it is located within one-half mile (two thousand six hundred forty feet) of an existing telecommunication tower, unless the applicant certifies that the existing telecommunication tower does not meet the applicant's structural specifications and technical design requirements, or that a collocation agreement could not be obtained.

8. Zoning Requirements. With the exception of requirements for setback and height, which are established in this section, the telecommunication tower must comply with all applicable zoning laws and regulations, including, without limitation, all laws governing land development, visibility, fencing, screening, landscaping, parking, access, lot size, exterior illumination, and sign, storage.

9. Setback. In all zoning districts, a telecommunication tower must be located no less than a distance equal to the tower height from all lot lines.

10. Signs. No signs may be located on a telecommunication tower except for identification signage.

11. Lighting. No lighting may be located on a telecommunication tower except as reasonably required for safety purposes or as required by the Federal Communications Commission, Federal Aviation Administration or other government agency with jurisdiction.

Repealed and re-enacted sections are shown in their entirety.
Amended sections are [added language bold and underlined, deleted language stricken through.]
12. Fencing. A fence with a minimum height of eight feet must be placed on the perimeter of the site of a telecommunications tower site to limit access by the public.

13. Height. The height of a telecommunications tower may not exceed the maximum tower height specified in the conditional use permit or in this section.

D. No decision regulating the placement, construction or modification of a telecommunication tower may be made on the basis of environmental or health effects of radio frequency emission if the antennas and other equipment on the telecommunication tower comply with Federal Communications Commission regulations.

Cordova Community Foundation: Fact Sheet

Purpose: Like an endowment, the purpose of the Cordova Community Foundation would be to create a reserve fund that generates asset proceeds. These proceeds could then be used to fund community endeavors by making grants to community organizations. An advisory board of the fund would determine community priorities, and make grants according to those priorities. We are working with the Alaska Community Foundation to create Cordova’s own community foundation.

What role does the Alaska Community Foundation play? The Alaska Community Foundation (ACF) offers an excellent path for creating this community resource. Since 2008, the ACF has helped to establish ten other community foundations around the state of Alaska as a way of building local philanthropy. For the existing and future Affiliate community foundations, ACF will act as the fiscal sponsor, which means it is responsible for all IRS reporting and non-profit compliance accounting. With the “organizational infrastructure” taken care of, the Cordova Advisory Board is free to focus on fundraising and grant making to community causes and organizations.

Getting Started: Becoming an Affiliate The Cordova Community Foundation Advisory Board plans to submit an application in December, 2017 for acceptance into the ACF’s Affiliate program. If our community effort is accepted, it becomes eligible for matching funds contributed by the Rasmuson Foundation, awarded over a three-year period (see table). Up to $5,000 per year are also awarded to Affiliates for local grant making during the Rasmuson matching-fund years. Affiliates that exceed their three-year fundraising goals are awarded a matching bonus of up to $25,000.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, the CITY of Cordova agrees to hire EMPLOYEE as its City Manager under the terms and conditions set forth below:

1. Duties and Nature of Employment. CITY agrees to employ EMPLOYEE, and the EMPLOYEE agrees to be employed by the CITY in the position of City Manager. EMPLOYEE is an at-will EMPLOYEE who serves at the pleasure of the City Council. EMPLOYEE shall perform all duties and discharge all responsibilities of that position as prescribed by the laws of the State of Alaska, the Charter of the CITY of Cordova, the Cordova Municipal Code, all as may be amended from time to time, and as established by the Council, from time to time. EMPLOYEE shall maintain residency in the CITY of Cordova during the entire term of this Agreement.

2. Compensation. The CITY agrees to pay EMPLOYEE for his services an annual salary of one hundred twenty thousand dollars ($120,000) payable in the same installments as other employees of the CITY. All compensation paid to EMPLOYEE shall be subject to required employment deductions, taxes, and contributions. EMPLOYEE shall receive COLA adjustments given to all other exempt employees of the CITY providing that any adjustments shall commence after the completion of the first year of service. This salary amount shall be effective for the term of the Agreement, subject to annual review by the City Council. Salary increases may be granted at the discretion of the City Council if consistent with the needs of Cordova and available funds.

3. Exempt Position. EMPLOYEE acknowledges that the position of City Manager is exempt from the overtime requirements of state and federal minimum wage and overtime laws, and as such EMPLOYEE is expected to work whatever hours are necessary to accomplish the goals and requirements of the position. The customary work week at Cordova for full time, exempt employees is Monday through Friday from 8:00 a.m. to 5:00 p.m. However, EMPLOYEE acknowledges that the specified work hours and work week may differ depending on the needs of the CITY, and that EMPLOYEE may frequently be required to work beyond the confines of the regular work week and work hours. 4. Term. This agreement shall commence October 17, 2016 (confirm start date) and shall expire on October 16, 2019, unless terminated earlier in accordance with Paragraph 5. The term may be extended upon mutual written agreement of the parties.

5. Termination of Agreement
City Manager Employment Agreement

2 | P a g e
4017777249/90678402

(a) EMPLOYEE’S employment under this Agreement is terminable at will and at any time by CITY, without any notice of any kind whatsoever, with or without cause, it being expressly and explicitly understood and agreed by EMPLOYEE that he holds the position of City Manager and serves as City Manager at the will of the Council. Dismissal and grievance procedures applicable to other City employees as provided in the Cordova Municipal Code, if any, shall not apply to the termination of EMPLOYEE’S employment by the City Council.

(b) EMPLOYEE shall provide CITY with written notice of his resignation no less than sixty (60) days prior to the effective date of his resignation or prior to termination of this Agreement. EMPLOYEE will remain on site and in service for the notice period. At its option, CITY may pay Salary in lieu of service through the effective resignation date, but on no account shall EMPLOYEE receive compensation in lieu of service for a period longer than sixty (60) days regardless to the length of notice provided by EMPLOYEE. If EMPLOYEE resigns without providing such notice, then EMPLOYEE shall forfeit all benefits which EMPLOYEE otherwise would have been entitled to receive upon resignation under this Agreement, including payment of unused accrued annual or sick leave. If the EMPLOYEE resigns prior to the expiration of this Agreement under its initial term, EMPLOYEE shall be responsible for his return transportation and shall be entitled to reimburse the CITY sums paid under Paragraph 1(a) of the City Manager Employment Agreement dated ______________, for moving expenses; provided, however, that one-third of the amount of such moving expenses shall be deemed repaid as of each of the first, second and third anniversaries of Employee’s employment with the City this Agreement. EMPLOYEE hereby consents to the deduction of such moving expense reimbursement, if any, from his final paycheck, and to the payment of any outstanding balance from his personal funds.

(c) This Agreement shall terminate automatically and immediately upon EMPLOYEE’s death. CITY shall pay any unused accrued annual and sick leave, and Salary earned to the personal representative of EMPLOYEE’s estate.

(d) If physical or mental condition renders EMPLOYEE unable to perform the essential functions of EMPLOYEE’s position for a period of 12 weeks in any 12-month period, CITY may terminate this Agreement by providing not less than sixty (60) days’ notice, or Salary in lieu of notice. Such termination shall be without prejudice to any disability benefits otherwise payable under CITY plans or policies then applicable. Nothing in this paragraph shall be construed to preclude CITY from filling EMPLOYEE’s position with a non-temporary employee under the “key employee” concept articulated in the Family and Medical Leave Act, whether or not the Act applies.

6. Severance

(a) In the event that CITY terminates EMPLOYEE’S employment under this Agreement without cause, CITY shall pay EMPLOYEE a lump sum as severance equal to seven (76) months’ aggregate salary and benefits, but as long as the intent to calculate the value of such benefits and pay as severance, as opposed to continuing to make benefit payments, minus applicable deductions.
and withholding. EMPLOYEE shall be required to execute and not revoke a
general waiver and release of employment-related claims as a pre-condition of
receiving such severance payment.

(b) In the event CITY terminates EMPLOYEE’s employment for cause, or if
EMPLOYEE resigns his employment, regardless of cause, then EMPLOYEE shall
receive no severance pay from CITY. Any of the following shall constitute “cause”
for termination: (i) EMPLOYEE’s failure to satisfactorily perform his duties in
accordance with the provisions of this Agreement, or maintain his Cordova
residency as required by this Agreement, (ii) EMPLOYEE’s intentional failure to
obey any lawful directive of the Council, (iii) EMPLOYEE’s intentional failure to
comply with the Charter of the City of Cordova or with the Cordova Municipal Code,
(iv) Intentional and willful misconduct which the Council reasonably believes
reflects adversely on EMPLOYEE’s position as City Manager, including but not
limited to, dishonesty, fraud, embezzlement, substance abuse, and criminal
misconduct, or (v) any other acts or omissions of EMPLOYEE which constitute
“cause” under Alaska law.

7. Benefits. EMPLOYEE shall be entitled to participate in State of Alaska PERS retirement
benefit plan, or if allowed by the State of Alaska and at EMPLOYEE’s request an
alternative retirement plan in which the CITY will match the EMPLOYEE’s contribution
1:1 up to a city matched contribution of 8% of the base salary to the alternative retirement
plan. I would delete this, as it is my understanding he is participating in PERS.
EMPLOYEE shall be entitled to participate in the City-sponsored health and life insurance
benefits on the same basis as other full-time regular employees of the City of Cordova,
subject to CITY’s right to amend or terminate such benefits at any time.

(a) Holidays – EMPLOYEE shall receive regular pay for recognized holidays specified
in the Cordova Municipal Code.

accumulated in excess of 240 hours shall be forfeited on December 31 of each
year. Annual Leave and PTO in excess of three (3) days must be requested two weeks
in advance, except in cases of unforeseen illness or injury requiring leave. Requests for Annual Leave and PTO shall be submitted to the City Council at any of its

of EMPLOYEE’s accrued medical leave will be cashed out upon separation on
favorable terms up to a maximum of 150 hours, subject to the limitations of Paragraph 5(b) hereof. For an absence due to sudden illness or other
unanticipated events, EMPLOYEE shall telephone the Mayor or the designated City Council representative as soon as possible prior to the time EMPLOYEE is scheduled to report for work.

(d)(c) Miscellaneous - Annual and sick leave both accrue during the period of time EMPLOYEE is on a paid leave, but not during leave without pay. Neither annual leave nor sick leave may be advanced.

10. Indemnification. CITY shall indemnify, hold harmless and defend EMPLOYEE against all claims and liability which may result from any claim, action or suit by any person based upon alleged injury to or death of a person or alleged loss of or damage to property that may occur or that may be alleged to have been caused by EMPLOYEE acting in the course and scope of performing his official duties during the duration of his employment with CITY under this Agreement, provided, however, that CITY shall not be obliged to indemnify, hold harmless or defend EMPLOYEE against any such claim or liability arising out of or resulting from acts or omissions which, in the sole judgment of CITY, constitute dishonesty, fraud, or criminal misconduct. It is the intention of the parties that EMPLOYEE shall be covered under the applicable CITY public officials’ liability policy. The provisions of this Paragraph 10 shall survive the termination, expiration or other end of this Agreement and/or the EMPLOYEE’s employment with the CITY.

11. Conflict of Interest. EMPLOYEE will be fair and impartial in all dealings and will avoid any actions which create a conflict of interest or might reasonably be interpreted as affecting the impartiality of his position as City Manager. NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, Cordova and Clerk agree as follows:

SECTION ONE: DUTIES OF CLERK

Clerk shall be employed by Cordova and hold the title “City Clerk” of Cordova. Clerk shall perform all duties and discharge all responsibilities of that position as prescribed from time to time by the laws of the State of Alaska, the Charter of the City of Cordova, the Cordova Municipal Code, as the same may be amended from time to time, and such other duties as may be reasonably directed by the City Council.

This salary amount shall be effective through August 8, 2018, on or about, at which time an annual review by the City Council shall be conducted. Upon satisfactory review in 2017, Clerk shall receive an annual salary increase equal to level 7 for the top tier of employees on the then existing City of Cordova, Exempt Pay Schedule, for the remainder of the contract term. Clerk shall receive any and all salary increases, such as COLA adjustments, given to all other exempt employees of the City of Cordova during the term of this agreement.

2. **EXEMPT POSITION.** Clerk acknowledges that the position of City Clerk is exempt from the overtime requirements of state and federal minimum wage and overtime laws, and as such Clerk is expected to work whatever hours are necessary to accomplish the goals and requirements of the position. The customary work week at Cordova for full time, exempt employees is Monday through Friday from 8:00 a.m. to 5:00 p.m. However, Clerk acknowledges that the specified work hours and work week may differ depending on the needs of the City Council, and that Clerk may frequently be required to work beyond the confines of the regular work week and work hours. Time sheets shall be submitted to the Mayor or his/her designee on
the City Council for signature in accordance with the schedule utilized for other non-elected, non-collectively bargained employees.

3. **BENEFITS.** Clerk shall be entitled to participate in State of Alaska PERS retirement benefits, and City-sponsored health and life insurance benefits on the same basis as other full-time regular employees of the City of Cordova, subject to the City’s right to amend or terminate such benefits at any time. City shall supply Clerk with a cell phone for business and personal use, subject to City policies and public record keeping requirements.

4. **PAID TIME OFF.**
   
a. **Annual Leave** - Clerk shall accrue annual leave at a rate of 20 hours per month. Annual leave may be carried over from year to year. Annual leave accumulated in excess of 240 hours shall be forfeited on December 31 of each year. All accrued annual leave shall be cashed out upon separation, subject to the limitations of Section 4, Paragraph 2 hereof. Annual leave must be requested two weeks in advance. Requests for annual leave shall be submitted to the City Council at any of its regularly scheduled twice-monthly meetings.

   b. **Medical Leave** - Clerk shall accrue medical leave at a rate of 15 days per year. Medical leave shall be carried over from year to year. Fifty percent (50%) of Clerk’s accrued medical leave shall be cashed out upon separation on favorable terms up to a maximum of 520 hours, subject to the limitations of Section 4, Paragraph 2 hereof. For an absence due to sudden illness or other unanticipated events, Clerk shall telephone the Mayor or the designated City Council representative as soon as possible prior to the time Clerk is scheduled to report for work.

   c. **Miscellaneous** - Annual and sick leave both accrue during the period of time Clerk is on a paid leave, but not during leave without pay. Neither annual leave nor sick leave may be advanced.

5. **TRAVEL, MEETINGS, AND PROFESSIONAL DEVELOPMENT.** Clerk shall receive allowance for travel, out-of-town meetings or professional development expenses as authorized by the City Council in the budget for each fiscal year or as approved in advance by the City Council from time to time. Subject to the foregoing, Clerk agrees to pursue professional development to attain and/or maintain the designation of Certified Municipal Clerk.

**SECTION THREE: PERFORMANCE EVALUATION**

The City Council shall evaluate the performance of Clerk no less frequently than annually during the term of this Agreement. The evaluation shall be completed in accordance with written guidelines of expected standards of performance and personal conduct and a written performance evaluation procedure approved by the City Council prior to each evaluation and provided in advance to Clerk.

**SECTION FOUR: TERM, TERMINATION AND SEVERANCE PAY.**
1. **TERM.** The term of the Agreement is from the Effective Date though August 8, 2019 unless terminated earlier pursuant to Paragraph 2 of this Section Four.

2. **TERMINATION.** The Agreement and Clerk’s employment hereunder are terminable at will and at any time by the City Council without any notice of any kind whatsoever, with or without cause, it being expressly and explicitly understood by Clerk that she holds her position at the will of the City Council of the City of Cordova. Clerk understands and agrees that no representations or course of conduct by the City Council shall establish any legally enforceable expectation of her continued employment by the City Council.

   Clerk shall provide the City Council with written notice of her resignation no less than thirty (30) days prior to the effective date of her resignation or expiration of this employment agreement. If Clerk resigns without providing such notice, then Clerk shall forfeit all benefits, if any, which Clerk otherwise would be entitled to receive under this Agreement, including without limitation the cash out of any accrued, unpaid annual or medical leave.

   Dismissal and grievance procedures applicable to other City employees as provided in the Cordova Municipal Code, if any, shall not apply to the termination of Clerk’s employment by the City Council.

3. **SEVERANCE PAY.** If the City Council terminates Clerk’s employment without cause, and Clerk executes and does not revoke a waiver and release prepared or approved by the City Council, then Cordova shall pay Clerk a lump sum severance payment equal to three months’ salary for Clerk, minus applicable withholdings and deductions.

   If Council terminates Clerk’s employment with cause or if Clerk resigns her employment, regardless of cause, then Clerk shall receive no severance pay. Any of the following shall constitute “cause” for termination: (i) Clerk’s failure to satisfactorily perform her duties in accordance with the provisions of this Agreement, (ii) Clerk’s intentional failure to obey any lawful directive of the Council, (iii) Clerk’s intentional failure to comply with the Charter of the City of Cordova or with the Cordova Municipal Code, (iv) intentional and willful misconduct which the Council reasonably believes reflects adversely on Clerk’s position, including but not limited to, dishonesty, fraud, embezzlement, substance abuse, and criminal misconduct, or (v) any other acts or omissions of Clerk which constitute “cause” under Alaska law.

**SECTION FIVE: OTHER EMPLOYMENT**

Clerk acknowledges that she must devote a great deal of time outside normal City office hours to the business of Cordova. Clerk shall not undertake employment with any person or entity other than Cordova without prior approval of the City Council.

**SECTION SIX: INDEMNIFICATION BY CORDOVA**

Cordova shall indemnify, hold harmless and defend Clerk against all claims and liability which may result from any claim, action or suit by any person based upon alleged injury to or death of a person or alleged loss of or damage to property that may occur or that may be alleged
to have been caused by Clerk in the performance of her official duties during the duration of her employment with Cordova under this Agreement; provided, however, that Cordova shall not be obliged to indemnify, hold harmless or defend Clerk against any claim or liability arising out of or resulting from acts or omissions which, in the sole judgment of Cordova, may occur or that may be alleged to have been caused by Clerk while acting outside of course and scope of her official duties, or from any false, deceptive, dishonest or criminal act or omission under the laws and regulations of the United States of America, the State of Alaska and/or any political subdivision thereof.

SECTION SEVEN: GENERAL PROVISIONS

1. **CHOICE OF LAW, EXCLUSIVE VENUE.** Any controversy or claim arising out of or related to this Agreement or the breach thereof shall be governed by the laws of the State of Alaska, and the City of Cordova, Alaska, and the exclusive forum for any legal proceedings regarding such dispute shall be the Superior Court for the State of Alaska, Third Judicial District at Cordova.

2. **ASSIGNMENT.** This Agreement shall not be assignable, in whole or in part, by either Party without the written consent of the other Party.

3. **SEVERABILITY.** In the event any provision of this Agreement is deemed to be void, invalid, or unenforceable, that provision shall be severed from the remainder of this Agreement so as not to cause the invalidity or unenforceability of the remainder of this Agreement. All remaining provisions of this Agreement shall then continue in full force and effect. If any provision shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope and breadth permitted by law.

4. **WAIVER.** The waiver by either Party of a breach of any of the provisions of this Agreement by the other Party shall not operate or be construed as a waiver of any subsequent breach by a Party.

5. **AMENDMENT.** This Agreement may be amended in writing by mutual agreement of the Parties.

6. **APPLICATION OF CITY CODE AND PERSONNEL POLICIES.** Unless expressly contrary to a provision hereunder or as contrary to the laws of the State of Alaska, the Charter of the City of Cordova, or the Cordova Municipal Code, Clerk’s employment shall be subject to the personnel policies and rules applicable to non-elected, non-represented employees of Cordova, as the same may be amended from time to time, to the extent the same are not in conflict with an express, lawful provision of this Agreement.

7. **INTEGRATED AGREEMENT.** This Agreements constitutes the entire Agreement between Clerk and Cordova, and supersedes all prior oral or written understandings, if any, between Clerk and Cordova, including without limitation, the predecessor restated employment agreement dated September 27, 2016, April 13, 2010 between the Parties, the First
Amendment thereto, dated April 14, 2013, the Second Amendment thereto, dated May 29, 2013, and the Third amendment thereto dated July 1, 2013.

IN WITNESS WHEREOF, the City Council of the City of Cordova has caused this Agreement to be signed and executed on the City Council’s behalf by its Major and duly attested by its Human Resources Officer, and Susan Bourgeois has executed this Agreement for and on behalf of herself, on the day and year first written above.
