Welcome!

Skaters Cabin is a City operated, log cabin rental located on the Eyak Lake shore line adjacent the Crater Lake Trail Head. The Cabin is within walking/biking distance of the Cordova city center, however if you are traveling with more than you can comfortably carry it is recommended that you secure the appropriate transportation.

Amenities provided within the cabin would include a woodstove with a flat cooking surface and a ceiling fan for heat circulation. There is a table for food storage and other uses. The cabin is equipped with electricity and has ample lighting. You may want to bring an extension cord for any electronic devices as one is not supplied at the cabin.

There is a log bench that runs across the back wall of the cabin for seating. There are no bunks; this keeps the space versatile which is great for private events like birthday parties and baby showers which are commonly scheduled at the cabin. Unless you bring a cot you will be sleeping on the floor, which is quite comfortable with a sleeping pad.

Outside the cabin there is a beach area with a picnic table, fire pit and BBQ that are available for your usage during your stay at the cabin. The beachfront of the Skaters Cabin is a public swimming area from 11:00am to 7:00pm.
