MEMORANDUM

TO: CORDOVA CITY COUNCIL
   HELEN HOWARTH, CITY MANAGER

FROM: HOLLY C. WELLS

RE: ORDINANCE 1197 REGARDING REVISIONS TO CMC TITLE 15

CLIENT: CITY OF CORDOVA

FILE NO.: 401,777.262

DATE: APRIL 29, 2021

A. INTRODUCTION

This memorandum provides a brief overview of the proposed revisions to CMC Title 15 in Ordinance 1197 entitled “An Ordinance of the City Council of the City of Cordova, Alaska, Repealing and Reenacting CCMC Title 15 “Hospital Services” to Clarify the Authority For the Sale, Transfer, Exchange or Disposal of the Cordova Community Medical Center or A City-Owned Interest or Facility In Its Inventory, Providing the Disposal Notice and Process Requirements for Such a Transaction, and Updating and Reformatting Title 15, Its Definitions, and Its Organization for Uniformity.” Ordinance 1197 was presented as a repeal and reenactment rather than an amendment because the organization of Title 15 was changed to comport with current formatting and identification standards, resulting in significant reorganizing and the adoption of new sections and chapters. These types of changes generally support the full repeal and reenactment of a Title to avoid any confusion as Council and public review and compare the changes. While this memo focuses on the most substantial revisions to the Ordinance, all proposed changes to Title 15 are shown in the redline form attached to this memo.

B. DISCUSSION

At the April 21, 2021 City Council meeting, the Native Village of Eyak (“NVE”) presented confidential information to City Council regarding NVE’s grant opportunities and NVE medical service data. In response, City Council requested a review of City law and direction regarding the legal process for considering the confidential information presented by NVE in executive session. Council emphasized the importance of ensuring any considerations were compliant with federal, state, and local law, that all requirements regarding public notice and open meetings were followed, and that Council was presented with the necessary information and documents as quickly as possible so NVE and the
City did not lose any valuable opportunities for partnership in providing community medical services to the public.

In furtherance of Council’s goals, the City Clerk and Mayor are working with NVE to schedule a public presentation by NVE regarding community medical services and its proposals to the City and a resolution expressing Council’s support for joint medical service opportunities with NVE. Additionally, Ordinance 1197 proposes necessary changes to Title 15 that provide Council a procurement and disposal method that permits City Council to deviate from standard land disposal methods required under the Code so long as its alternative method meets certain requirements designed to comply with federal, state, and local laws that ensure public knowledge, administrative due diligence, and legislative consideration before the disposal of significant City assets. To this end, the proposed sections CMC 15.10.070 and 15.10.080 are the most substantial changes presented in the Ordinance.

In the event this Ordinance is adopted, Council, CCMC, and the public will be presented with the instruments, information, and updates necessary and required before the disposal of any City property or buildings in CCMC’s inventory. The City Administration will also take steps to ensure that the Hospital Services Board and CCMC CEO are fully aware of the proposed changes to City Code and the disposal of CCMC inventory and the implications for CCMC management and operations.
ORDINANCE 1197 repeals and reenacts Title 15 of the Cordova Municipal Code. As a result, the changes to the Code are not reflected in the Ordinance itself. This document provides a redlined view of the substantive proposed changes for Council’s and the public’s edification and ease of reference.
