MEMO: 12/15/21

TO: Cordova City Council

FROM: Helen Howarth, City Manager

RE: CITY OF CORDOVA 2022 BUDGET

I am pleased to present the City of Cordova 2022 Budget and Fee Schedule for Council approval.

The 2022 budget is presented with an increase over the FY21 Budget to acknowledge the needs of City departments, to manage grant requirements for the Harbor rebuild project, and to maximize City ability to leverage upcoming federal infrastructure funding. City's budget increase reflects these opportunity costs but otherwise presents a conservative approach to the general fund operating budget

City received over \$1M in Federal ARPA funds which must be expended during the twoyear window ending FY23. ARPA funds of over \$500K are included in this budget with the awareness that after the FY23 budget those one-time funds must be replaced with other revenue to maintain this service into future years.

Manager implemented a hiring freeze in the last months of FY20 and City operated in FY21 with vacant positions unfilled. The FY22 budget reinstates those positions and adds critical positions identified in EMS and Public Works to acknowledge staffing needed to maintain City services.

The fee schedule reflects the Council's directive for a 5% increase in utilities, harbor and public works over 5 years: FY22 is the last year of those stated increases. The Parks & Recreation Commission revised their fee schedule (see attached memo from Duncan Chisholm) and ambulance fee was increased to \$750. A capital budget will be presented in early FY22 as soon as additional ARPA funding is allocated. Additionally, earnings from Permanent Fund investments are tapped at \$100K in to balance the budget

The IBEW Collective Bargaining agreement has not been finalized but the budget reflects a financial impact based on Council's directive.

The budget is the result of hard work by City departments to balance delivery of service with budget constraints. Staff is committed to finding more efficiencies and new revenue during the course of FY2022.

Memorandum

To: Mayor and City Council

CC: Helen Howarth, City Manager and Susan Bourgeois, City Clerk

From: Duncan Chisholm, Parks & Recreation Director

Date: December 8, 2021

Subject: FY 2022 Parks and Recreation Fee Schedule

Attached is the proposed fee schedule for FY2022 from the Department of Parks and Recreation for review and consideration by the City Council.

The Parks & Recreation Commission at its meeting on November 30, 2021, resolved to recommend the proposed fee schedule to the City Council.

Background Information

The current Parks and Recreation Department Fee Schedule has not changed since at least 2013. It is estimated that the Consumer Price Index (CPI) has risen by between 17-18% during this time.

It is proposed that the existing Fee Schedule be restructured for FY2022 to eliminate duplication of information, simplify the fee structure, and include Sales Tax and Public Accommodation Services Tax as applicable as per Section 5.40 of the City of Cordova Municipal Code.

Primarily, parks and recreation fees are collected for the following activities:

- 1. Bidarki Recreation Center and Bob Korn Memorial Swimming Pool admission fees, memberships, and programs.
- 2. Use of Bidarki Recreation Center and Bob Korn Memorial Swimming Pool by non-profits, commercial and non-commercial organizations, or individual users.
- 3. Use of park property for camping.
- 4. Miscellaneous charges such as product sales (e.g., swimming googles) and services (e.g., towel hire, firewood etc.).

While most of the proposed fee changes represent the addition of City Sales Tax (6%), some fees have been eliminated, and others have been increased to reflect more equitable pricing. Fees have been rounded up or down to the nearest 25c increment.

Staff propose to restructure the fee schedule to:

- Make fee calculations simpler and easier to understand for customers and staff.
- Eliminate duplication of information and reduce confusion.
- Remove fee options which are underutilized or are no longer offered.

Key changes also include:

- Adding applicable taxes.
- Restructuring admission and membership fees, including the amendment of Child/Youth/Student and Seniors/Concession fees to be approximately 60% of the adult equivalent across the fee schedule.
- Eliminating unnecessary fees and/or replacing some fees.
- Simplifying facility rental fees.
- Including electricity use in the Odiak Camper Park daily fee.

Recommendation:

Recommend approval of the FY2022 Parks and Recreation Fee Schedule.
