

Water/Sewer Connection Permit

BEFORE PERMIT APPROVAL

1. Complete application and submit to Front Desk. Payment is due with each application. (Fee schedule is attached to Water/Sewer Connection permit)
 2. A vicinity map of lot showing the approximate location of new water/sewer service is required.
 3. All materials/supplies used must be pre-approved by Department of Public Works - Water/Sewer Division prior to digging.
 4. Your permit application will be reviewed by the Department of Public Works.
 5. Upon approval, a copy of your Water/Sewer Connection Permit Application will be mailed to you.
 6. After you receive your approved permit application, set up a water/sewer account at the Utility office at the Cordova Center. (Deposit required).
 7. After your account is set up and verified by the utility office, the Department of Public Works - Water/Sewer Division will make the necessary connections.
 8. As soon as your water/sewer connection is made, you will be responsible for the monthly bill.
 9. Contact the Department of Public Works – Water/Sewer Division at 424-6338 if you have questions.
- NOTE: Incomplete applications will be returned.

DURING/AFTER CONSTRUCTION

1. Residential Labor fees will be charged for water main tap (connection) sewer and other labor charges.
2. All water/sewer connections must be inspected by Water/Sewer Division before being backfilled.
3. Water & sewer line pipe bedding and trench backfill must comply with City standards.
4. Swing tie measurements must be provided in writing to the Water/Sewer Division for all new curb stop valves. These can be hand delivered, mailed or e-mailed for review.

I agree to the above conditions:
