Re: City of Cordova CLG Review 2022

Dear Ms. Howarth:

Maria Lewis thoroughly enjoyed sitting down with you and members of the Commission on September 15, 2022, to review and discuss Certified Local Government (CLG) activities over the prior four years. It was an excellent opportunity to discuss current historic preservation issues specific to Cordova while outlining preservation goals for the future. Enclosed you will find a copy of the CLG Performance Standards Checklist that was discussed and completed during the meeting.

The goals that you outlined for the program over the next two years are excellent and should help the CLG focus on the activities that will help it succeed. Please let this office know how we can help you accomplish the following goals as effectively as possible:

- Prepare an update to the 2010 Draft Preservation Plan.
- Continue the Survey and Inventory program.
- Conduct more community outreach to educate the community about Historic Preservation.
- Update Cordova’s Historic Walking Tour.
- Establish a better connection with Cordova’s maritime history and nominate boats to the National Register of Historic Places.

I want to thank you and the historic preservation commissioners for all the hard work and dedication you bring to ensure that Cordova’s history is shared with others and preserved for the future.

Sincerely,

Judith E. Bittner
State Historic Preservation Officer
