CMC 5.05.030 Applicability of provisions.

All real property in the City is subject to taxation, except real property exempt under the constitution of the State, the applicable laws of the State, including all properties listed in AS 29.45.030, the City Charter or the ordinances of the City.

CMC 5.07.010 Senior Citizen and Disabled Veteran Exemptions.

A. The real property owned and occupied as the primary residence and permanent place of abode by a: (1) resident sixty-five years of age or older; (2) disabled veteran; or (3) resident at least sixty years old who is the widow or widower of a person who qualified for an exemption under subsection (A)(1) or (2) of this section, is exempt from taxation on the first one hundred fifty thousand dollars of the assessed value of the real property. Only one exemption may be granted for the same property and, if two or more persons are eligible for an exemption for the same property, the parties shall decide between or among themselves who is to receive the benefit of the exemption. Real property may not be exempted under this subsection if the assessor determines, after notice and hearing to the parties, that the property was conveyed to the applicant primarily for the purpose of obtaining the exemption. The determination of the assessor may be appealed under AS 44.62.560—44.62.570.

B. To be eligible for an exemption under subsection (A) of this section for a year, the individual applying for an exemption must also be eligible for a permanent fund dividend under AS 43.23.005 for that same year or for the immediately preceding year.

C. An exemption may not be granted under subsection (A) of this section, except upon written application for the exemption on a form approved by the state assessor. An applicant who qualifies for the exemption under this section need not file an application for successive tax years if there is no change in ownership, in residency or permanent place of abode, or other factor affecting qualification for the exemption. Applications must be filed no later than January 15 of the first year for which the exemption is sought. The city council, for good cause shown, may authorize the assessor to accept as timely filed an application filed after January 15 and before May 1 of the assessment year for which the exemption is sought. An application received after May 1 will be accepted as an application for the following assessment year. If the application is filed within the required time and is approved by the assessor, the assessor shall allow an exemption in accordance with the provisions of this section. The assessor shall require proof in the form they consider necessary of the right to and amount of an exemption claimed under subsection (B) of this section and shall require a disabled veteran claiming an exemption under subsection (B) of this section to provide evidence of the disability rating. The assessor may require proof under this subsection at any time.

D. If property is occupied by a person other than the eligible applicant and their spouse and minor children, an exemption applies only to the portion of the property permanently occupied by the eligible applicant and his/her spouse and minor children as a permanent place of abode.

E. It shall be the responsibility of every person who obtains an exemption under this section to notify the assessor of any change in ownership, residency, permanent place of abode or status of disability. A disabled veteran who has less than a permanent disability must submit an official disability percentage letter each year prior to January 15 showing a fifty percent or greater disability.
