

ADVERTISE

AT THE CORDOVA CENTER

Promote your services, events, and business offerings by advertising at the busy Cordova Center, the central hub for gatherings and meetings in our community.

HOW IT WORKS:

The City of Cordova is launching a 55-inch digital signboard above the bulletin board in the vestibule of the Cordova Center.

This screen will display paid advertisements for local businesses and organizations, giving you an affordable way to promote your products, services, or events.

WHY ADVERTISE HERE?

High Foot Traffic: The Cordova Center is a central location with visitors and residents passing through daily. The signboard runs from 8 am to 8 pm, daily.

Affordable Rates:

- 2-Week Ads: \$50 for 15 seconds, \$75 for 20 seconds
- Monthly Ads: \$100 for 15 seconds, \$150 for 20 seconds

Community Impact: All revenue generated from the signboard will be reinvested into improving city infrastructure, parks, and public spaces.
