ORDINANCE RESOLUTION
 MOTION **INFORMATION**

I. BACKGROUND INFORMATION: The Parks and Recreation Department plays a vital role in supporting young people, families, community events, and tourism. To ensure these benefits continue, we must prioritize the sustainability of our facilities and parks. This requires making thoughtful, strategic, decisions that support long-term viability and preserve these assets for ongoing community use.

The FY26 City fee schedule was approved via Resolution 12-25-28 on December 3, 2025, during the budget cycle.

Tonight’s work session will provide background on the Parks and Recreation fee schedule as a whole and why it is important for sustainability. It is also an opportunity for the staff to present our vision and process for the fee schedule, data collection for grant opportunities, and community partnerships.
